PAUL HARRIS FELLOW

Paul Percy Harris was a Chicago, attorney and the founder of Rotary International.

In 1957 the Paul Harris Fellowship programme was established to show appreciation for, and encourage substantial contributions to what was then the Rotary Foundation, in support of Ambassadorial Scholarships.

When a person is recognised as a Paul Harris Fellow, they are presented with a Certificate signed by the Rotary International President and the Chairman of the Trustees of The Rotary Foundation, and a lapel pin and medallion.

The Paul Harris Fellow may be obtained in one of two ways:

Firstly, the Paul Harris Fellow is awarded in recognition of anyone who has made a contribution of US\$1000 to Rotary International to continue its Humanitarian work worldwide. A person may make a contribution of US\$1000 to Rotary International as an expression of happiness for 20 years of marriage, or a new grandchild, or success in one's vocation or family life, in memory of a friend, relative or associate who has been an important asset to their life, or as a way to honour another person who is a non-Rotarian such as a friend or Partner-in-Service, for exceptional service.

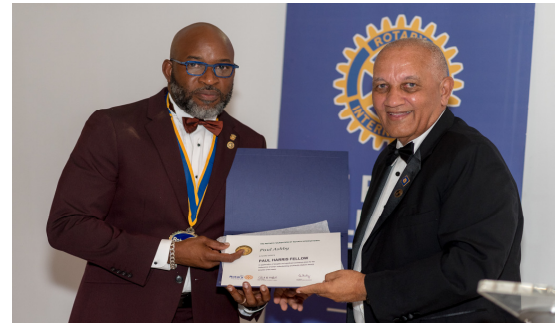

Secondly, the Paul Harris Fellow is awarded by the Club in recognition of long and meritorious service to the community that fulfills the ideals of Rotary for the betterment of humanity, and is not limited to Rotarians but may be awarded by the Club to any person who, in the eyes of the Club President and Board at the time, fulfills the requirements. The Club's award recognizes the efforts that the recipient has made towards the Club and the community.

Every Rotarian should strive to be a Paul Harris Fellow because for each Paul Harris Fellow named, we know that US\$1000 has been given to The Rotary Foundation to continue the Humanitarian and Educational work worldwide.

"Whatever Rotary may mean to us, to the world it will be known by the results it achieves" Paul Harris.

Today's meeting is a Fellowship Meeting

Recap: July 12, 2018—Business Meeting

The first meeting of the year got off on a light note. SAA Peter did a commendable job of disciplining the Club and notwithstanding the football fever, he may have bowled a spin when he quizzed the Club on who was the winner of the previous day's Tour de France. The answer was Peter Sagan and person who could provide the correct answer was promised an exemption from fines.

President Shawn addressed the Club and in keeping with this Rotary year's theme he reminded the Club to be an inspiration. President Shawn then outlined his intention for the year which involves keeping some of the Club's existing projects and adding his signature project which is the Modular Toilet project providing indoor sanitary facilities to households most in need.

President Shawn recapped the members of the Board and their responsibilities and the various Committees and their Chairs, he also indicated that the Committees will be relying heavily on technology such as WhatsApp to ensure that committee members are kept up to date at all times.

President Shawn also spoke about the green initiative and indicated that the initial focus will be more on the elimination of Styrofoam use and can progress toward the elimination of plastic with time. The Club will seek to reward and encourage companies that have taken notable steps to eliminate the use of Styrofoam.

Also addressed by President Shawn, was the importance of the Heartbeat ministries and he confirmed one scheduled heart transplant.

Finally, the Club was reminded that in terms of membership we need to actively try to fill the classification voids.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

FIRST: The development of acquaintance as an opportunity of service;

SECOND: High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life; and

FOURTH: The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the **ideal of service**.
