President's Project.

Rotarians were at work in full force assisting with painting at the Geriatric Hospital on Saturday morning Dec.15, 2012. This project is now 98% to 99% completed. In order to complete, the Contractor is awaiting delivery of lights for the ceiling. The supplier was short on the lights required but explained that the additional lights were in the Port and are currently being cleared. Delivery of the new lights expected very shortly. Painting of the two nurses stations is also to be completed. Thanks to those Rotarians who were able to assist with the painting. Good fellowship was enjoyed after the exercise. We are seeking other similar projects requiring painting only and which can be done over one or two weekend Saturday mornings. This would afford Rotarians a further opportunity to provide "Service above self" and be more engaged.

Carols By Candlelight

It was another success as the Rotary club of Barbados and its usual supporters delivered a remarkable even. The pictures speak for themselves. It was again well attended this year.
