Welcome Back to Barbados FABBAGIRLS!!!

The FABBAGIRLS are quite simply the Best ABBA tribute band in the business, which is why they are regulars at The Royal Albert Hall. Their saucy, quick fired sense of humour and fabulous vocals, coupled with stunning costumes and choreography, puts them at the top of their game.

After fronting ABBA cover band Bjorn Again, they decided to form a band of their own. Along with their 'world class' musicians this ABBA tribute band perform worldwide; In USA for Microsoft on numerous occasions, in Marrakesh for amazing private parties, in Greece for a Mamma Mia event for Dragons Den Theo Paphitis, in Trinidad & Tobago for the Islanders, on a yacht in Sardinia, a regular event on the water in Barbados - for Royalty, and even in Salzburg, the home town of The Sound of Music, where they ripped off their nuns habits to reveal their stunning, white satin costume!

The FABBAGIRLS - Fronted by Susie Webb and Zoe Nicholas perform as either a duo, a foursome or a full 6 piece band, giving clients a choice to suit the stage size and budget. They have also performed in Thailand with the Bangkok Symphony Orchestra (75 piece), which was a truly amazing event.

The PARTY ANIMALS is their other band, with the same musicians, performing songs from 60's - 2000's...they are ROCKING! both can be booked on the same night.

As two of London's' most established vocalists and away from FABBAGIRLS, Susie and Zoe are also known as ROCKCHICKS- www.rockchicks.com. They have worked with Queen, Lionel Ritchie, The Who, Billy Idol, The Beach Boys, Bono, Andrea Boccelli, Eric Clapton, Will Young, Phil Collins, Pavarotti and many more of the greatest rock/pop artists in the world.

They are often found in studios with various artists and their voices can be heard on commercials for PEPSI, MACDONALDS, FISHER PRICE, CALGON ...Susie and Zoe have performed at Party In The Park on numerous occasions to audiences of hundreds of thousands in Hyde Park and sang with QUEEN at Buckingham Palace for the Queens Golden Jubilee Concert, where Brian May played his legendary guitar on the roof. They went on to perform at Pavarotti & Friends concert again with Queen and others in Modena, Italy.

The ROCKCHICKS perform yearly at the ROCK GALA at The Royal Albert Hall singing with the great artists who perform each year for the charity as part of the house band.

Susie Webb and Zoe Nicholas spend much of their time travelling the world to perform as THE FABBAGIRLS and ROCKCHICKS at private parties, corporate events, launches, pubic festivals and charities. They have a brilliant sense of humor, which derives from having worked with many of the great British comedians.

They are always open to fun and funky... suggestions: hence, the nuns outfit, The Swedish accents and the infamous Spanking Fish! They are longstanding members of the world famous SAS Band (Spikes All Stars), with whom they perform on a regular basis. "We are lucky, we love what we do!!"

ROTARY MINUTE - THE MINI M.U.N.

"This was a phenomenal initiative that President Tony has gifted our three clubs with. It was well received, well supported and is already being demanded for next year. The entire team really rallied around it and put together a programme that culminated yesterday in the typical Rotary way; With excellence.

I heard students lamenting that they regret that they will be unable to come back next year because they will be out of school. But I also was delighted by the number of students and a teacher who are now considering diplomacy as an area they are interested in and would like to pursue as a career.

So from every possible angle, this was a seminal project that I hope to see continued over the years. President Tony you are to be singled out for initiating this process and pulling us all together to work on it.

On a personal note, I can't tell you how extraordinary this past month has also been for me to have had the immersion among seasoned Rotarians and the way in which things are done under the banner of the Rotary Club. Watching and working with all of you has made me a better Rotarian for the experience. You have all given me something to aspire to as a young Rotarian and increased my commitment to this organisation and to my fellow Rotarians to always live our motto of service above self".
