Recap Of November 14 Meeting

In recognition of World Diabetes Month members came out in various shades of blue to show our support for the cause. In the absence of President Peter, the meeting was conducted by VP Elvin. SAA Peter deftly stuck to the theme while still injecting humor and extracting fines. Our specially invited guests were Cally Boyea (CEO Barbados Diabetes Foundation) and Annette Clarke VP (Diabetes Association Barbados). Mr Cally Boyea addressed the Club and using statistics he amplified the impact that diabetes is having on our population, such as, the number of beds at the QEH which are occupied by persons with diabetes related ailments. Mr Boyea admonished us all to do our part not just as an organization but also as individuals, by making changes in our personal lives such as adjusting our diets and having a more active lifestyle. Dir Adrian and his Pride of Workmanship Committee presented cheques to both the Diabetes Foundation and the Diabetes Association, from the funds which were raised at the Pride of Workmanship Awards. The meeting's proceedings were covered by the press.

AREAS OF FOCUS NAME CHANGES

We've changed the names of three of Rotary's areas of focus (marked with asterisks) to better reflect the types of projects members are carrying out. The areas of focus are now called:

- Peacebuilding and conflict prevention*
- Disease prevention and treatment
- Water, sanitation, and hygiene*
- Maternal and child health
- Basic education and literacy
- Community economic development*

Some of the area of focus goals have also changed. We've included activities that relate to the environment in the updated Areas of Focus Policy Statements.

Did You Know?

Rotary has changed the names of three Areas of Focus to better reflect the types of projects Rotarians are carrying out.

Members needing to do meeting make ups to keep their attendance at the required level are reminded that in addition to attending meetings at other clubs, fellowship and service activities also count towards attendance make up. Members are also reminded to report their make ups to Club Administration Dir. Tony.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

FIRST: The development of acquaintance as an opportunity of service;

SECOND: High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life; and

FOURTH: The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.
