Report on the West Terrace Primary School Repainting Project

Members who attended:

Kemar T. Gilkes (Vice-President)
Hugh-Victor Browne (Dir. Club Serv.)
Sharez Williams (Dir. ISC)
Firhaana Bulbulia (Pinned Member)
Darion King (Prospective Member)

On Saturday 17th November, 2012 The Rotaract Club of UWI Cave Hill started the repainting project at the West Terrace Primary School and completed phase 1. This project has been slated to be completed on two days, the aforementioned date as well as Saturday 24th November 2012. This project aims to repaint the bathrooms and the lunch area at the aforementioned school.

This past Saturday we were unable to gain access to the bathroom and equipment previously stored at the school for this project. However thanks to Director's Waldo quick thinking and gracious donation of supplies we were able to make head way with this project. The group was able to complete the repainting of lunch area.

Members who were present were productive and used this time to get to know each other a little better and have fun while volunteering, all in keeping with the Rotaract motto; Fellowship through Service.

This project also afforded the club the opportunity to gain some much needed media publicity, allowing the community to see this club aiding the community.

The club looks forward to continuing this project this Saturday and we anticipate a greater turn out in our numbers.
