Welcome to Rotary!

The two newest members of the Rotary Club of Barbados were given a warm welcome on the 16th day of January 2014. President Ron welcomed the members to the global community of more than 1.2 million men and women dedicated to building a better world.

The President in his address to the new members assigned them to their respective committees and affirmed their classifications. He noted that their respective skills, experience, and enthusiasm would redound to the benefit to the club and advance communities at home and on a global scale. He challenged the new members to take advantage of the resources and activities available through the club, district, and Rotary International to make their experience with Rotary both rewarding and fun.
