OCTOBER IS ECONOMIC AND COMMUNITY DEVELOPMENT MONTH RECAP OF OUR PRIDE OF WORKMANSHIP AWARDS CEREMONY

On October 18 we held with pride our Pride of Workmanship awards ceremony. Words cannot aptly sum up the success of the night.... It was a success.

In the gracious presence of our Governor General , HE Dame Sandra Mason G.C.M.G, DA, QC, our members and honourees were bedecked in their gowns and suits as we met at the Hilton to celebrate the giving to the community by the honourees.

“someone somewhere has to do something at some-time” was the opening refrain of our guest speaker Mr. Corey Layne who, is self designated as a “humanitarian”, and is the Chief and the founder of Nature Fun Ranch and whose work has been recognised throughout Barbados . Notably he was recently awarded the Point of Light from her Majesty the Queen. Mr. Layne in his speech impressed on the Club the continued need to serve and to help those in need. Following his impassioned speech, we then heard the citations for our three honourees namely

- **Mr. Michael Anthony Young**, whose service is to all ages in the community via the sport of swimming and diving. Mr. Young’s dedication to those he teaches was such that he put no pressure on them so that each could have the confidence of learning to swim in their time. The result confidence in attaining success.
- **Mr. Trevor Sylvester Alleyne**, who through his love for cricket and for coaching, empowered young persons with the confidence of both excelling in the sport and overcoming bullying

- **Mr. David Ward**, a teacher and a former Barbados national footballer, whose community outreach was done via football.

Mr. Ward coached many a child to success and more importantly coached many a child to work hard at improving on their skills and to being successful in all that they had to do both on the field and off.

PRIDE OF WORKMANSHIP AWARDS CONTINUED:

In addition, to the Pride of workmanship awardees, the night had two further awardees—PP Lionel Moe and his Partner in Service Mrs. Florine Moe. PDG David and President Shawn had the pleasure of conferring Paul Harris fellowships awards level two Sapphire PHF on the both of them to a standing ovation from those in attendance. Well Done PP Lionel Moe and Mrs. Florine Moe.

Pictures: We recognise that Rtn. Anthony Shaw has taken some excellent photographs of the night some of which will be placed on the ClubRunner. However to commemorate the event, we still post some pictures of our awardees receiving their award from our Patron Dame Sandra Mason

ROTARY INTERNETATIONAL NEWS

OCTOBER 24 WAS WORLD POLIO DAY

World Polio day was commenced by Rotary International over a decade ago to commemorate the birth of Jonas Salk who led the first team to develop a vaccine against polio-myelitis or polio as it is better known.

Today there are three countries which are still affected by polio namely Pakistan, Afghanistan and Nigeria. However, Nigeria has not recorded a new case since 2017 and if this continues that country will join the other nations as being polio free.
