**RECAP OF JUNE 20 2019 – FELLOWSHIP MEETING**

Last week was truly a fellowship meeting; we heartily welcomed the returning Rotarians from Convention and anxiously listened to a group presentation led by Director Adrian on their experiences. The overwhelming sentiment shared was: we are part of a much larger organization doing some amazing work to impact lives in crucial ways. By closing, the room was charged up for Hawaii and discussing bulk reservations for Hotels to ensure our party can be accommodated in the same hotel to minimize logistical challenges etc.

## Why the last mile is so important

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity of service;

**SECOND:** High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business and community life; and

**FOURTH:** The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.
