## Rotarians Committed to Eradicating Polio

At the Fellowship Meeting held Thursday, July 21st, 2011, President Brenda showed a five minute video entitled "The Last Hurdle" which highlighted the efforts of fellow Rotarians who are working assiduously to eradicate Polio worldwide.

Many still live under the threat of polio, which is why Rotary is committed to ending this disease.

After 20 years of hard work, Rotary and its partners are on the brink of eradicating this tenacious disease, but a strong push is needed now to root it out once and for all. It is a window of opportunity of historic proportions.

*"If we all have the fortitude to see this effort through to the end, then we will eradicate polio."*
