**THE ROTARY CLUB OF BARBADOS  
WELCOMES ALL VISITING ROTARIANS AND GUESTS**

**Mar 07 - Club Charter Date - 1962 - Club # 6798**

**RECAP JULY 21**

**THEME: ROTARY SERVING HUMANITY**

July 21, 2016 was a Fellowship Meeting.

On this Occasion PE Paul Ashby introduced the Club to Ms. Sonju Patterson who is assisting with the marketing of the Comedy Show to be hosted on September 30, 2016 and which is being jointly produced by RCOB and Capital Media HD 99.3. Following questions from the Club, it was clarified that

- The Show will be held at the Lloyd Erskine Sandiford Centre
- Every effort must be made by the Club to sell the tickets for which there was a limited capacity in seating
- the show was one suitable for the whole family and that careful attention was paid by the organizers to ensuring that the comedy is wholesome and family appropriate.
- The Comedy show would have a local and regional flavour with comedians from both Barbados and some of our CARICOM sister countries performing.
- Ticket costs would be in the range of \$50.00 early bird per person and \$70.00 at the door.

PE Paul will provide further information in August and remind the Club that every effort must be made to obtain sponsorship for the Show.

**CONDOLENCES**

The Club extends our deepest condolences to VP Brenda Pope on the death of her Mother and to the Rotary Club of Barbados South on the death of PP Professor George Nicholson. May they and their families be comforted at this time. The Club recognised those losses together with the previously mentioned losses with prayers let by PP Erskine Thompson.

**GUEST LECTURE**

**We welcome today Ms. Cherice Gibson and Mr. Nathan Brewster of The Sustainability Education Toolkit**

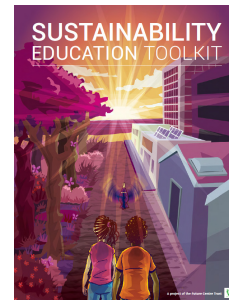

The Sustainability Education Toolkit seeks to create environmental awareness and to inspire more environmentally friendly practices in children.

The toolkit was designed to supplement our current educational institutions with learning material relatable to Barbadian culture. By integrating environmental sustainability with Mathematics, Language Arts and Integrated Science, we hope to stimulate more thought about our environmental practices

**BIOs OF OUR SPEAKERS:**

**Ms. Cherice Gibson** is an independent Project Consultant with a wealth of experience in the field. Her portfolio includes an eclectic collection of projects including social, environmental, artistic, advocacy and technical projects. Ms. Gibson coordinates and oversees the implementation of the many projects under the FCT's portfolio including: Environmental Art Projects such as the Biodiversity Mural at Warrens, The Future Trees Program, The Clean Up Barbados Campaign and The CoRe: Community Recycling Network. Her focus, through the FCT, is to increase environmental awareness and responsibility within the community through a variety of projects. This involves the creation and execution of presentations, workshops and materials targeting students, community groups

**Mr. Nathan Brewster** is currently a student at the University of the West Indies, Cave Hill campus studying Ecology with a minor in Earth Sciences. He aspires to begin his Masters and to become an environmental consultant. Nathan also has many interests including music and volunteerism. While at Combermere, he was the captain of the Combermere Steel Orchestra. Currently he is a member of the Barbados Family Planning Association's youth group Youth Advocacy Movement (Y.A.M.). As a summer intern with the Future Centre Trust, he is tasked with the implementation project of their Sustainability Education.
