RECAP OF THURSDAY JUNE 21, 2018 FELLOWSHIP MEETING

Mar 07 - Club Charter Date - 1962 - Club # 6798

RI THEME: ROTARY MAKING A DIFFERENCE

JUNE IS ROTARY FELLOWSHIP MONTH

As the countdown to the end of the Rotary 2017-18 year continues, we welcomed our last guest speaker for the year namely Mr. Toney A. Olton, Principal Consultant of the Potter Centre. Mr. Olton gave a most thought provoking and engaging lecture on Transformational Leadership.

Mr. Olton's speech was really a challenge to each of us. A challenge to

- ♦ think on "what it fully means to be a leader; the difference between management and leadership".
- ♦ find six words to accurately describe your team
- ♦ imagine your organisation operating at its optimum and then assess its current position and vision.
- ♦ Give a score from 1-10 on the performance gap difference between reality and vision

He argued that once the above were answered honestly, then that would give an understanding of the leadership imperative which is the reason a leader functions in the space in which he operates and the way in which he moves the team from the present score to the ideal 10.

Leadership is therefore a relationship with the ability to communicate worth and potential of others so clearly that they come to see it in themselves.

Leadership involves Emotional Intelligence which by its nature is simply the ability to operate from a high personal awareness where you are both self aware and mindful of others.

Below Mr. Toney Olton as he addresses the Club:

Transformational leadership continued:

Mr. Olton further advised that leadership involves Self Management; Consequential thinking; the ability to recognise patterns; the ability to be both pragmatic and optimistic the ability to be empathetic and to communicate so that others understand our goal. Leadership requires goals including noble and inspirational goals.

Transformative leadership is the ability to transfer your knowledge and leadership abilities to others so that they become the leaders of tomorrow.

CONGRATULATIONS ARE EXTENDED TO THE CLUB

Our President Paul has indicated that our global grant appli-
cation to provide a water tank and pre-fabricated kitchen
garden structure with a built in timed irrigation system to 18
families in Bridgetown, Barbados has been approved.

The application was submitted to the Rotary Foundation by
RC Barbados and RC Lexington and was approved. The
award is in the amount of \$34,750.00.

We thank the RC Lexington, Kentucky who had agreed to
lend assistance in developing the global grant proposal. The
International Service Committee selected our project for
funding in the 2017-18 Rotary fiscal year and worked with
us closely on the Global Grant application.

Our project was one of nine projects under consideration
and was eventually selected based on the information for-
warded to them by Pres. Paul which included the photo-
graphs of the installation of the kitchen gardens and the
simple joy on the children's faces.

**WELL DONE AND THANKS TO ALL WHO CONTRIBUTED BOTH
NEAR AND FAR TO THE SUCCESS OF THIS PROJECT.**

ROTARY CLUB OF BARBADOS HAS BEEN LIVE AND DIRECT IN TORON-
TO FOR THIS YEAR'S ANNUAL CONVENTION. THE CONVENTION
SAW JUST OVER 25,000 ROTARIANS FROM 175 COUNTRIES CON-
VERGE IN TORONTO.

On the point of leadership, the LeapFrog Inventor Rtn. Jim Marg-
graff, presented what Pres. Paul considered a “boss speech” in
which he stated that he applied the acronym PTS:- identify the prob-
lem to solve, identify the tools to solve the problem and establish
what success looks like by defining outcomes.

It was also revealed at the Convention that there are only 11 cases
of polio reported for the year thus far; that \$372 million US dollars
has been raised by the Foundation for the year, setting a new rec-
ord: the Goal is to have an endowment fund by 2025 of
\$2,025,000,000.00.

The Convention has been enjoyed by all present and including our
Barbados contingent from the three clubs. Our Rotarians have met
RIPE Barry Rassin, they have met new Rotarians, they have parties
well and eaten well.

AND NOW ON TO HAMBURG WHERE REGISTRATION FOR THE 2019
CONVENTION HAS BEGUN IN EARNEST.
