Summary of the RCOB Club Forum Held on September 24th, 2022

President Tracey’s opening remarks:

First off, I must say thanks to everyone for their service thus far September has been hectic, and we are happy with the engagement levels thus far.

This Forum is focused on looking at ways that we can ensure the longevity and vitality of our club. Fully engaged members working on fully sustainable and relevant projects.

Recently, when I attended the Rotary International convention, incoming Presidents were admonished not to see our tenure in the year as ‘Our Year’, or my year or even my project.

What instead is the emphasis is on another great Rotary year and laying the foundation for future great Rotary years.

In order to do so, we must take the feedback of all Rotarians into consideration, ever mindful that our Club is made up of differing demographics and personalities.

There is a famous saying that what got you here, won’t get you there! But I disagree; over the years, our respectful fellowship with each other, our prudent financial management and our relevant service projects has led our Club to Rotary excellence.

And these are the fundamental values as they say ---have got us here. But how do we build and pivot around these core values to take us there that is what we need to address.

In all aspects do we stay the same, do we do things exactly the way we have done it for the past 60 years, maybe in some cases, in others maybe not.

Do we love that old phrase –well we have always done it this way..... we all know of the companies who failed to innovate such as Blockbuster - who was ousted by Netflix, Kodak and Polaroid who were ousted by digital photography and Borders, a bookstore who went out of business because of Amazon.

Whilst we would be hoisted by our own petard were we to dismiss the traditions of the past, we also cannot ignore the winds of change that will propel us forward.

So fellow Rotarians, our role here today is simple, we look at what got us here and we make solid plans for what will get us there --- there being our sustainable future!

So please let’s all be open-minded as we plan our way to future great Rotary years!

In support of the International Coastal Clean-up Day 2022; The Rotary Club of Barbados hosted its annual cleanup and fellowship event at Morgan Lewis Beach!

Joined by friends, family, The Rotaract Club of Barbados, The Rotaract Club of UWI and a team from Payce Digital, the volunteers were able to collect and remove 25+ large bags of garbage which ranged from consumer plastics to marine debris.

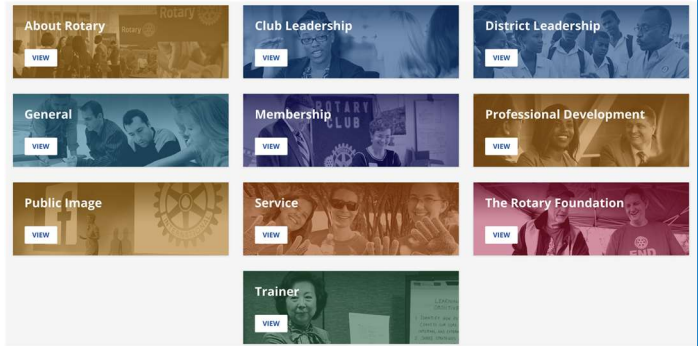

We must do better! Be mindful of where your garbage ends up. Let's work together to keep our coastlines beautiful!

ROTARY GRACE

O Lord and giver of all things good
We thank Thee for our daily food
May Rotary friends and Rotary ways
Help us to serve Thee all our days.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

FIRST: The development of acquaintance as an opportunity of service;

SECOND: High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life; and

FOURTH: The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.
