PDG David Edwards

THE FOUR WAY TEST

Of the things we think,
say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

**THE ROTARY CLUB OF BARBADOS WELCOMES
ALL VISITING ROTARIANS AND GUESTS**

Mar 07 - Club Charter Date - 1962 - Club # 6798

RI THEME: BE THE INSPIRATION

JANUARY IS VOCATIONAL SERVICE MONTH

Today's meeting is a Fellowship Meeting, with
Guest Speaker, Mr. Jerry Franklin
Our Greeters are
Rtn. Dr. Albert Best and PE Peter Williams

**RECAP OF JANUARY 24TH BREAKFAST FELLOWSHIP
MEETING**

A number of our members persuaded President Shawn to mount a Breakfast Meeting as many of us wanted to get to Kensington Oval to witness the second day of the first Cricket Test Match against England.

As this second day was in such a pivotal position for the match many of them missed breakfast and headed to the Oval.

For the faithful souls and their guests we had an exciting meeting with the SAA Heather M Tull extracting a very high per capita level of fines to make up for those missing members.

We also witnessed Rotarian Steve Cozier seeking to convince us of the reason he was presenting a banner from a visiting Rotarian no one else had seen: Rtn Patti Beth Anderson of the Rotary Club of Grove, Oklahoma, USA.

We asked—*Is it the truth?*

MUN: January 19—March 02

MUN—WK 2 - ...the 2019 Model United Nations (MUN).

This year's theme is **"The Blue Economy: Sustainable Fisheries"**

MUN will be held every Saturday from January 19 to March 2.

Today we welcome Our Guest Speaker, Mr. Jerry Franklin

Jerry Franklin is the Managing Director and Senior Consultant of EnSmart Inc, an innovative company in the renewable energy sector, who specializes in leading edge renewable energy systems, state of the art energy management solutions, energy consulting and energy efficiency solutions.

He is the President of the Barbados Renewable Energy Association. Jerry plays a very active role in the association and has been co-author of the Solar PV consumer Guide and author of The Energy Efficiency Consumer Guide, served on the technical committee and the regulatory committee and has conducted a number of renewable energy workshops to a wide audience from the financial sector, small and medium size business owners to the agriculture sector. He is an intervener in the electricity utility regulatory process and is also a regular columnist for the Barbados Business Authority on Renewable Energy and Energy Efficiency.

Jerry has a rich background with over 21 years' experience as a professional Engineer and Telecoms Executive with a focus on operational management, operational efficiency, network optimization, network management, operational strategy development and 5 years in the renewable energy sector.

Jerry is an Engineer whose academic qualifications include a BSc in Electrical Engineering, a BSc in Computer Engineering and an Association of Energy Engineers - Certified Energy Manager.

He is also a co-founder and director of Northpoint Consulting Inc., an engineering consultancy firm that provides ICT service across the region.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

FIRST: The development of acquaintance as an opportunity of service;

SECOND: High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life; and

FOURTH: The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.
