

ROTARY FREEPORT NOON CLUB

What We Do

COMMUNITY GIVING

We donate to local non-profits to help drive their missions. In 2020, we donated \$3,600 to the Children's Hands-On Museum of Freeport, in support of children's literacy.

VOLUNTEERING

We create many opportunities throughout the year to volunteer throughout the community of Freeport in a family friendly environment.

SOCIAL

We gather as a club to celebrate our peers, network with each other, and promote the mission of Rotary International.

EDUCATION

We use our resources to support education within the community through scholarships, leadership development, and sponsoring international exchange students.
