Dear _____,

We are writing to you on behalf of the North Texas Pioneers Rotary Club Foundation, a 501 (c)(3) foundation, established by the North Texas Pioneers Rotary Club, to request your support for our 2nd Annual Spring Swing Fundraiser. This is a signature fundraising event to raise money for this year's beneficiary, our First Responders. This event will be held on April 9th, 2021 at the Ridgeview Ranch Golf Club in Plano. We will have members of a variety of First Responder Organizations that will be present and/or playing at the event.

The mission of the North Texas Pioneers Rotary Club is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders. North Texas Pioneers Rotary Club has been impacting lives and conducting service in the North Texas community since 2010, and such events assist us in achieving greater progress to supporting those lives in the local area.

We hope you will join us in supporting our cause by donating to the North Texas Pioneers Rotary Foundation as an Event Sponsor. Your support will be a wonderful addition to this event, and would certainly increase the amount raised for our First Responders.

In return, we offer you the following promotional consideration commensurate to your donation:

Please consider donating to support the continued work of the North Texas Pioneers Rotary Club as we endeavor to further our ability to support our local community.

We thank you in advance, for your generosity. Please complete the enclosed donation form and return it via mail or email by March 9th, 2021. Sponsorships and donations can also be made online at www.NorthTexasPioneersRotary.com.

Please consult with your tax advisor to determine whether your donation is tax deductible in whole or in part.

Let me know if you have any questions, or you may contact our Service Chair, Liz Lansing at 214-770-4847, or our Club President, Daniel Long at 214-607-7597, if you have any questions.
