ANNUAL COMMITTEE SIGN-UP: Where will you serve during the 2018 – 2019 Rotary year?

In a large club, the best way to make acquaintances that turn into friendships is through active service on committees. Committees are a great way to enrich your Rotary experience. We encourage ALL members to sign up each year for one or more committees. We have committees that meet all five avenues of service: Community, International, Club, Vocational, and New Generation. Please return your completed committee request form to the Rotary office via email, mail, or drop it off at the next Rotary luncheon.

Check the committee or committees below that you are interested on a being a part of. You may contact the chair persons by clicking their name below for more information.

Thank you, Mick Gilbertson, 2018-19 President

Community Service

☐ **COMMUNITY GRANTS**- Chair [Lynn Wood](#). This committee meets once or twice a year to review the applications from local organizations submitted from February 1-March 15 each year. Our club awards 6- \$500 scholarships to local organizations.

☐ **CAMP ROTAMER**- Chair [Mick Gilbertson](#). Camp Rotamer is a day camp owned by the club. We have a camp director that runs it for us. It is often rented by service organizations or for weddings, class reunions, or other gatherings. We typically have two annual work days when members are asked to help out if possible: one to open the camp in the spring and one to close the camp in the fall. The Camp Rotamer Committee meets about once a month to discuss things like maintenance to the building.

☐ **CORN ROAST & MUD VOLLEYBALL**- Chair [Dan Drozdowicz](#).. This is a very large event that takes place on the third Saturday of August each year. There is typically one or two lead Chair persons that oversee the event. There are a variety of sub chairs that make sure all areas of the event run smoothly. There is a huge need for volunteers at this event including the Friday before the event and the Sunday after. Rotarians are expected to make their best effort at being a part of this annual fundraiser. The committee usually starts

meeting in May and may meet weekly or monthly up to the event in August.
