MEETING RECAP

JANUARY 13, 2023

On Friday, the club gathered for a regular meeting at Jackrabbit Brewing Company. Our Speaker was Dr. Cheryl Hildreth, Superintendent for Washington Unified School District. Dr. Hildreth shared a number of updates from the District including their current strategic plan and upcoming modernization projects. She also thanked the club for all their efforts with the students, including work with the Interact Club, Westfield Village and the scholarships!

We also played two truths and a lie with Dave Kamminga. It turns out Dave was the smallest and skinniest kid growing up and he went to 13 different schools, but he did not go on a trip to India.

Finally, we celebrated a number of members with Katie Villegas. Importantly, Paul and Ellen Kolarik donated \$5,000 to the West Sacramento Rotary Foundation in Len Strickland's honor - education was important to Len, and Paul has challenged the membership to match his donation. On Friday, members pledged and donated \$2,665.00 towards the match.

Rotarians in the Wild

Were you wondering where our Celebration Masters were this week? Wonder no longer...they were busy attending a make up meeting with the Club of Cape Coral in Florida!

Member Spotlight

Dave Kamminga

Profession:

Construction Estimator

Spouse's Name and Profession, if any:

My Significant Other is Renee, Commercial Real Estate Developer Office Manager

Children's Names and Ages, if any:

Kevin, 25

If you had to be stranded on a desert island with a Rotary Member, who would you pick and why?

I can think of an excellent reason to be stranded with any of you, but if I had to choose, I would pick Troy Bird since we have the same birthday we can just exchange the same coconut for our birthdays.

What is one thing most people don't know about you?

Most people may not know that I was the class clown in school, but seldom got into trouble because the teachers even laughed at my jokes.

What is your favorite part of Rotary?

My favorite part of Rotary is how we help young people, with Scholarships, Interact, RYLA and now Westfield Elementary School.

Name three things you can't live without (can't be people):

I could not live without Playing Music and my Guitars, my phone/iPad and lots of water to drink.

PRESIDENT'S NOTE

Dear Mighty Rotary Club of West Sacramento,

Well, you kicked off 2023 with a bang! We packed Jackrabbit Brewing for our first meeting of the year and it was a fun and lively one (despite the rain). Thank you to everyone who joined us, and for those of you who couldn't make it, we hope you'll join us for the next one!

This week we will be gathering at Streets of London in West Sacramento. Join us for some fellowship and fun, bring the family or a friend, and enjoy a break in the rain with us!

Sincerely,
Jaclyn Powell
