SOCIAL HOUR RECAP

JANUARY 23, 2023

On Friday, the club gathered for some fellowship at Streets of London in West Sacramento. Members came by throughout the evening to say hello and grab a drink or dinner. This CHIPS editor did a poor job of taking photos, but a lovely time was had by all, so join us for the next one in March! Our "Social Hour" in February will be our Anniversary Dinner!

Member Spotlight

William (Bill) Douglas Bevier

Profession:

Structural Engineer

Spouse's Name and Profession, if any:

Robin Clark Bevier, Attorney

Children's Names and Ages, if any:

Stephanie, Amanda and Douglas, 35, 33 and 32, in that order.

If you have children, which child is your favorite and why? (It's okay, you can tell us...)

That's difficult. Steph and Doug are engineers. Amanda is a farmer. Both professions dear to my heart. However, the favorite would be who gives us the most recent grandchild. Right now it's Amanda who will be having her third mid-February. Steph has four and Doug, on the slow track, has one.

If you had to be stranded on a desert island with a Rotary Member, who would you pick and why?

Tom Wallace. The ultimate boy-scout. Stranded during a winter storm in the mountains, hopefully he could figure how to survive. Besides, I have known him longer than I can remember.

What is one thing most people don't know about you?

Ohio farm boy at heart.

What is your favorite part of Rotary?

Besides the good work that Rotary provides, it gives me the opportunity to socialize with members other than architects and engineers.

Name three things you can't live without (can't be people):

My horse, my dog, and vacations. The vacations usually involve horses and bicycles. (Maybe Tom could figure out how to pedal off an island.)

PRESIDENT'S NOTE

Dear Mighty Rotary Club of West Sacramento,

Thank you to everyone who joined us at our Social Hour!

I hope you will all join us this week at our regular meeting! We have a wonderful speaker - Christine Calvin with Killdeer Farms. Killdeer Farms is a flower farm right off of Jefferson Blvd, and if you haven't yet met Christine, you really don't want to miss this meeting. The Calvin's story is inspiring and the way Christine tells it, is pretty hysterical.

Look forward to seeing you all Friday!

Sincerely,
Jaclyn Powell
