In Memoriam

Len Strickland

On January 3, 2023, we lost a dear friend, Past-President, and member of our club, Len Strickland. Len owned and operated River Pointe Insurance Agency beginning in January 1998 until he retired, and he gave back to our city in a variety of ways, including serving on a number of non-profit boards. As a number of members know, Len received a heart transplant when he was 64. He was quoted by Donate Life California as saying: "I am extremely fortunate and blessed for my new heart, and the most stimulating aspect of this journey is that my wife, Karen, and I have been able to spend quality time with our grandchildren. We have been able to travel and live our lives as we did prior to my transplant and see the world. Post-transplant, we have traveled to fifty-seven countries, including Antarctica." Among the places he and Karen traveled: Abu Dhabi, Dubai, Oman, Brazil, West Africa, Eastern Europe, Indonesia, and Vietnam.

With respect to the days following his transplant, he said: "I take every day as it comes and enjoy them with compassion, and share whatever I have and do with my wife, daughters, son, and grandchildren. Life is too short to worry about the small things. Take every day as a new experience!"

Len will be greatly missed. We will notify the club when we have information on his services.

PRESIDENT'S NOTE

Dear Mighty Rotary Club of West Sacramento,

Happy New Year. I hope you all had a wonderful break and are ready to join us for our first meeting of the year on January 13. We're certainly off to a rocky start (and hosting the first meeting of the year on Friday the 13th isn't exactly a great omen), but let's focus on enjoying each other and putting together our plan for a great 2023 year. There are a number of areas our club is needed in our community, and I'm looking forward to tackling those with you with the time I have left as your President!

See you all on Friday.

Sincerely,
Jaclyn Powell
