Member Spotlight

JoAnn Moffett

Profession: Business Manager at Cunningham Engineering

Spouse's Name and Profession, if any: Ricardo Goñi, Business Damages Consultant

Children's Names and Ages, if any: Two labradoodles: Bentley (12) and Blink (10)

If you have children, which child is your favorite and why? (It's okay, you can tell us...) Bentley loves everyone. Blink only loves me. I'm his favorite person. He's very protective, and I secretly like having his unwavering, full devotion.

If you had to be stranded on a desert island with a Rotary Member, who would you pick and why? Joanie Kapell and I could chat endlessly and never get bored. Sand, sun, good company—we'd just need beers and we'd be set.

What is one thing most people don't know about you?

I was voted Fastest Driver in high school. I have since slowed down. I was also voted Most Organized in high school, that has waned too.

What is your favorite part of Rotary?

I love the camaraderie. Hanging around fun people who love West Sac as much as I do.

Name three things you can't live without (can't be people):

Booze, travel, and sunshine (probably not in that order, well, depending on the day).
