Community Volunteer and Agricultural Explorer

Children's Names and Ages, if any:

Michelle and Noelle

If you have children, which child is your favorite and why? (It's okay, you can tell us...)

They are both my favorites. They are both great people, great mothers and accomplished business leaders.

If you had to be stranded on a desert island with a Rotary Member, who would you pick and why?

It would have to be Dick Marshall and Steve Heringer. We have been together for over 70 years and they are important parts of my life.

What is one thing most people don't know about you?

In 1982-83 I worked in the Chief of Staff's Office in the White House. It began snowing on a Thursday night and it was still snowing on my drive to the office on Friday. About 9:30 my boss, who headed up the Office of Administration, called me and asked if I thought we should send everyone home. I asked, "Everyone in the White House" and he said, "No, everyone in the Federal Government". I had been farming before I went to Washington. During that time, I often wished I could shut the Federal Government down. I finally got my wish. Yes John, we should send everyone home! Thirty minutes later everyone in the federal government in Washington, D.C. was sent home.

PRESIDENT'S NOTE

Dear Mighty Rotary Club of West Sacramento,

I hope you had a great week off! I can't believe it is here, but it is our LAST meeting of the year on June 16! I hope you can all join us as we celebrate the end of a roller coaster year with a fun interactive program!

This year we adopted a school, added a monthly social hour, mixed up our meeting schedule, changed locations and gave me a whole lot of gray hair in the process. Congrats on a successful year Rotary Club! You not only made it through, you thrived!

See you all on Friday!

Sincerely,
Jaclyn Powell
