# Member Spotlight

**John Raney**

Profession:

Geotechnical Engineer

Spouse's Name and Profession, if any:

Marsha Raney, Retired School Teacher

Children's Names and Ages, if any:

Evan Raney, 37, school teacher; Boston  
Molly Raney, 34, musician, cook, nanny; NYC

If you have children, which child is your favorite and why? (It's okay, you can tell us...)

Hate to advertise prejudice in such a widely circulated publication, but I can say this. They are very different and both very cool.

If you had to be stranded on a desert island with a Rotary Member, who would you pick and why?

If it were possible, I'd pick Carnahan. He was a terrific person who couldn't be characterized with a single label.

What is one thing most people don't know about you?

In the olden days I ran marathons and can still handle a five miler once in a while.

What is your favorite part of Rotary?

The carburetor.

Name three things you can't live without (can't be people):

Sleep; a good pilsner; tar heroin.
