ROTARY BBQ RECAP

SEPTEMBER 16, 2022

On Friday evening, the club gathered for our social of the month - an End of Summer BBQ! It was fun, relaxing and the perfect farewell to summer. Lee Harris took over Dick Marshall's pool house like a boss and threw together a night to remember. Please make sure to thank Lee for all her hard work when you see her! The entire night was possible because of her (and Dick of course).

Part of boss Lee's itinerary for the evening included an adult water balloon toss competition. These Rotarians competed for the title of water balloon toss champion, but only one group could be victorious. Congratulations to Troy Bird and Elizabeth Esquivel!

Service

Snacks for Westfield Village

Thank you to everyone who donated money and snacks to our Westfield Snack Drive. These snacks are on their way to the school! Our snack drive will run all year long, so bring those snack sized food items to our meetings (no nuts please!) and they will get delivered to Westfield!

Service

Delta Clean Up

Special thanks to our Rotarians who got up early Saturday morning and helped clean up the Clarksburg Boat Launch!

Member Spotlight

Alicia Mittleman

Profession:

Licensed Clinical Social Worker (aka a mental health therapist)

Spouse's Name and Profession:

Andrew Mittleman, Construction Program Manager at Jacobs Engineering

Children's Names and Ages:

Jack, Age 8 and Natalie, Age 11

If you have children, which child is your favorite and why? (It's okay, you can tell us...)

Depends on the day ;-) Jack is really funny and witty. He's always fun to talk to and keeps me entertained. Natalie is sweet and kind. It's always fun to see her doing her favorite sport, running and see her confidence blossom while running.

If you had to be stranded on a desert island with a Rotary Member, who would you pick and why?

Probably Kat Gallagher. We can keep each other entertained and problem solve how to quickly get back off the island together.

Alicia Mittleman

What is one thing most people don't know about you?

I'm a terrible cook. I have no patience for cooking, end up skipping steps and it never turns out well. My husband has taken over cooking duties and we are both much happier. When he has to go out of town for work, I will often invite myself over to friend's houses for dinner.

What is your favorite part of Rotary?

I really enjoy the service projects. I look forward to going to the Yolo Food Bank at Thanksgiving each year to pack the food boxes up.

Name three things you can't live without (can't be people):

My Peloton, my iPhone and my corgi Sedona

PRESIDENT'S NOTE

Dear Mighty Rotary Club of West Sacramento,

The weather is cooling, the delta breeze is back in full force and we're celebrating at the Rotary Club! Thanks to everyone who made it out to our BBQ. It was so nice to see so many of you! And again, special thanks to Lee Harris for stepping up and organizing the entire evening!

Your board is working hard behind the scenes to line up quite a few fall and winter service projects! Stay tuned on that as we will need a lot of volunteer help!

In the meantime, we will see everyone at this week's meeting at the Pheasant Club. Bring your party pants and your wallets, as our beloved Celebration Masters will be back to honor some members.

Enjoy your week!

Sincerely,
Jaclyn Powell
