LEV VEL— Live Well with Rotary!

SPEAKER PROGRAM

Program: Ruth Burgess - Membership Speaker

Ruth Burgess, Past President of the Roseville Rotary Club and Member of the District 5180 Membership Team year 2015-2016, spent some time with the Mighty Rotary Club of West Sacramento on Friday. She donned a press cap to demonstrate the who, what, where, when, why and how of Rotary membership. After pointing out the Mighty Rotary Club of West Sacramento's stellar three-year, 73%, retention rate of new members, Ruth drove

home some ways to improve and further develop new membership to the Group. Highlights were that Rotarians should be aware that being a Rotarian isn't something that just follows us to meetings but really permeates our entire lives. We are the face of Rotary to the world through our daily actions (at work, in the community and in our family lives). Membership is a process and truly becoming a Rotarian takes time and guidance. Member retention is key and chances of retention are improved when groups allow new-members to progress over time into active leadership roles. Ruth presented the idea of clear communication that Rotary is a way of life and requires a mix of time/talent/treasure to really be a Rotarian. Ruth acknowledged Tim Kwong's stellar job in this young Rotary Year to take on membership for the Group.

Aure'lien Delacroix and Carol Bogart, sharing some time and smiles. Sharing is just part of the gig for Aure'lien during his RYE experience. On Friday Aure'lien shared his experience, with a group of other RYE students, in San Francisco. Beyond the self-made movie being very well put together, it was also a very fitting movie for a Rotarian in The City. The film dripped of exploration and discovery, with an eye on the details of the moment, more so, the maximization of one's impact on the moment. There was the wave crashing over the parking lot near the Golden Gate Bridge (GGB), the fun biking footage as the group crossed the GGB and the trolley snaking amongst the undulations of The City. These pictures, moments, memories, all individually special but cumulatively impactful. Much like a Rotarian's journey. Thanks Aure'lien, you have brought many smiles to the entire Group!
