Our Program: Chris Worden, Future Ready

Chris Worden, CEO of Future Ready gave an informative presentation on his organization's strategy to connect students studying engineering, science and technology to work-based learning internships and job training.

Future Ready is a non-profit dedicated to bringing business owners and young adults entering the professional work force together through mutually beneficial internship programs. Junior and senior high school students in the Engineering, Science and Technology Academy at River City High School are provided high-quality, work-

based learning opportunities that align with their curriculum.

Through paid internships with local engineering, science and advanced-manufacturing companies, students will be prepared for success in an entry level job and/or post-secondary education. Employers will benefit by having increased access to a local labor pool that has completed industry-relevant academic coursework and has previous on-the-job experience. Interns receive “digital badges”, like a modern-day merit badge, to demonstrate their proven competence in skill sets most in demand by today's employers.

Delta High School Students of the Month Brenna Romo and Celine Rubalcava, with Principal (and visiting Rotarian) Laura Uslan

Celine is a junior and is the ASB Spirit Chair. Brenna is a senior and is the ASB President. Both students gave an update on events and activities at Delta. Our Student of the Month Program is skillfully managed by **Joanie Kapell** and **JoAnn Moffit**. Thanks, Joanie, for introducing the students and thanks to both of you for your ongoing efforts on behalf of the Club.

(clockwise from right) **Andy Wallace** sets the tempo as he leads us in a “seasonal” song. **Ike Parsons** and **Jeff Post** impatiently await the (late) start of the meeting. **Dustin Dumars** (filling in for **Chris Bradford**) and **Peter Anderson** man the business table (note the time on the clock) and *someone* hastily checks the deck to assure the Joker really *is* in the deck before the “door prize” drawing happens...

BRING YOUR

DONATIONS TO THE MEETING

Each year West Sac Kids Give Back creates an exciting opportunity for **West Sacramento children to learn the true value of giving back to their community.**

This **two-part effort** allows kids to both **1 COLLECT** donations of personal care items for those in need as well as **2 ASSEMBLE** those items in to care packages. The care packages are then provided to local non-profit organizations for distribution.

This year the children's efforts will support the following organizations:

SUPPORT THE CHRIST-MAS BASKET PROJECT IN WEST SAC!!

Tim Carnahan models the “Mad Hatter” look as he collects for the Christmas Basket Project.

West Sacramento Rotary has been helping with the project since its infancy. For 23 years in a row the club has increased the amount of its donation.

Benefiting are 650 West Sacramento singles and families, many of them elderly, who have signed up to receive a box of assorted food items as 'Christmas baskets.

Remember to give! You can also write a check to either the Christmas Basket Project or to the Rotary Club and have a record of your donation for your taxes.

!DONATE!

We will **pass the hat** at four consecutive meetings before Christmas. All the money that is raised is then matched by the club and then given to the Christmas Food Basket Project.

Each year our club has set a record for funds raised for this project.. Counting backwards from the week before Christmas for four meetings.

Tim Carnahan and Marty Garozzo have managed and promoted this worthy effort on behalf of the Club. Dig into your pockets this Holiday Season and chip in when Tim and Marty pass the hat
