**Making Dreams Real**

## ***Club Assembly Number Two!***

With his usual swagger, **President Peter Anderson** called the meeting to order at precisely 12:15 and we were off and running for the 26<sup>th</sup> meeting of his presidency and the Mighty Club's second Club Assembly. First up was International Service Chair **Siva Sivakumaran** who updated the Club on our progress with the Honduran Water Project. Siva emphasized that, with the dry season approaching in Honduras, the time is now to fulfill your pledges so we can move on to the construction phase of the project.

President Anderson then walked us through logging into Club Runner and Club Runner Mobile. As Peter puts it, "There's an app for that." Members can locate other clubs for make-ups through the application's Club Locator, see upcoming events or even read the latest edition of the award-winning, hard-hitting journalistic achievement known as the Chips from the Buzzsaw. If you are unsure of how to sign up or what your login information is, please contact our Club Secretary **Amy Busch** and she will send you an email with your login info.

Past District Governor, Past President, Retired Police Chief and everyone's favorite International Service Chair, **Barry Kalar**, updated our members on the Rotary International Foundation- consistently one of the highest rated foundations in the world. Barry explained that 50% of the money that goes into RI's Annual Fund comes back to the districts for local projects. There are many different ways that Club Members can give: to the Annual Fund for projects such as Polio Plus, to the Permanent Fund by including the Rotary Foundation in your will, by becoming a Paul Harris Fellow and by contributing to those in need such as the recent fire victims through Special Designated Funds.

Past President and the First Woman President of the Mighty Rotary Club of West Sacramento, **Denice Domke**, currently serving as our Membership Chair, updated the Club on our membership goals. Always one to give others credit, Denice mentioned her all-star team of **Katie Villegas**, Past President **Ed Rounthwaite** and Past President **Jeff Post**. The team's goal this year is to reach 80 members. With the successful Pop-up Meeting series leading the way, Denice and her team are confident that we will reach that goal.

In an attempt to break up the seriousness of the Club Assembly presentations, resident shenanigansters **Bill Bevier** and **Tom Wallace** jumped up on the table and did a fairly decent rendition of Bob Hope and James Cagney's tap-dancing routine from the 1940's movie, Seven Little Foys. It was an appropriate ending to a great meeting and we all laughed and laughed.

## PETER'S PRINCIPAL

### Opening Remarks From Friday's Meeting

Beer Can Appreciation Day recognizes the great day in 1935 when beer was first sold in cans.

Credit for the first beverage can goes to the Krueger Brewing Company of Richmond, Virginia. Made of steel and weighing in at almost 4 ounces, these hefty canisters opened with a church-key.

Enjoy a beer from a can. While you do, explore the art behind the beer can. As more craft beers hit the market, designing the labels become as much an art form as the can and the beer do. Learn about more about beer making and the types of craft beer. Tour local breweries. Explore their canning process. As always, invite someone to join you. It's the best way to #CelebrateEveryDay! When you do, use #BeerCanAppreciationDay to post on social media.

I am Peter Anderson and it is days like these that make me proud to be the 71<sup>st</sup> President of the Mighty Rotary Club of West Sacramento!
