Coach Dan Hawkins *By Mike Campbell*

Coach Dan Hawkins was raised in Beaver, CA and played fullback at UC Davis on the team that played the National Championship in 1982. After a career that showcased his ability to turn football programs around, he returned to UC Davis two years ago to become the Head Coach. In his second year as coach the Aggies tied for the Big Sky Conference Championship and made it to the third round of the national championship playoffs. Dan was selected as the Coach of the Year in the Big Sky Conference and was voted nationally the Eddie Robinson Coach of the Year.

Dan shared his life growing up in a logging family and playing football at multiple levels. His experience playing at UC Davis for Coach Jim Sochor shaped his philosophy of developing players for a life after football and playing to be your best and not focusing on beating your opponent. All while having fun.

Dan talked about his focus on developing a team of great coaches and recruiting great players, students and citizens. He has a very high expectations for the future of the Aggie football program and the university. He feels that all the stars have lined up for UC Davis athletics. A recent report by the Wall Street Journal ranked UC Davis as the 5th best public university in the nation.

Many of Dan's local friends joined our lunch and there was great pride that Aggie Football had regained its position of prominence in the football world.

OPENING REMARKS FROM THE MEETING 2/15/2019

Rotary develops characters and brings out the best of the human spirit. It teaches people ethics, humanity, cultural awareness, people skills and the desire and ability to serve. Rotary creates a more positive environment for promoting world understanding and peace.

Rotary always benefits two people. The child who is sick, who is hungry, who is thirsty, who has no clothes, no shelter, no education, no future, no hope...that child is the beneficiary of Rotary's outreach. That child is Rotary's business.

But another benefit comes to the Rotarian, the one actually providing the service, The Rotarians grows and fulfills the real reason for his and her existence, which is to serve others. The Rotarians becomes professional, a better parent, a better citizen, a better human being.

Yet there are millions of men and women around the world who are Rotarians at heart but who have never joined because of one simple reason — they haven't been asked. We must ask them now!

Inspire. Connect. Act.

Bird's Poop Continued

Our guest speaker Coach Dan Hawkins from UC Davis was impressed with the football knowledge of our club, we have included a few of the brilliant questions from our astute members.

Heine R asked: On defense, when an opponent lines up in a 3 by 1 formation in 10personal and you are in a 1 high safety alignment, how do you deal with the 4 vertical threat?

Siva asked: On a three step drop passing play what is the QB's pre and post snap progression?
