### **Rotary Relations Manager at ShelterBox USA** *Bill Tobin*

ShelterBox delivers the essentials families need to begin rebuilding their lives in the aftermath of a disaster. From ShelterBoxes to ShelterKits, they can send immediate emergency shelter and other lifesaving equipment anywhere in the world. We instantly respond to earthquake, volcano, flood, hurricane, cyclone, tsunami or conflict and have responded to 275 disasters in 95 countries. ShelterBoxes typically contain a disaster relief tent for a family, thermal blankets and groundsheets, water storage and purification equipment, solar lamps, cooking utensils, a basic tool kit, mosquito nets and a children's activity pack. ShelterKits contain plastic sheeting, basic tools, rope and fixings that enable families to rapidly provide their own shelter or make repairs to their damaged houses in the aftermath of a disaster. The contents of the aid can be tailored depending on the nature and location of the disaster, with great care taken sourcing every item to ensure it is robust enough to be of lasting value. Highly trained ShelterBox Response Teams distribute aid on the ground, working closely with local leaders, organizations, international aid agencies and Rotary clubs worldwide. Since its inception in 2000, ShelterBox has firmly established itself at the forefront of international disaster relief, providing emergency shelter for the world's most vulnerable people.

### 4 Way Test

Of the Things we Think, Say or Do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and better **FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## WHY ROTARY??

### 16. BECAUSE ROTARY'S SCHOLARSHIPS HELP THE BEST AND BRIGHTEST ACIEVE THEIR GOALS

Clubs and districts can support scholarships with either a district grant (for any level of study) or a global grant for a graduate study in one of Rotary's areas of focus. A student could study anywhere in the world and for any length of time on a district grant-funded scholarship. The district provides all administrative and logistical support for this type of scholar. Rotary clubs that use global grants to support their scholarships may do so only for graduate students studying abroad in one of Rotary's six areas of focus. Scholarships range from one to four years and can include an entire degree program. Prospective scholars have to show proof of admission to the chosen university and participate in cub and district activities before, during, and after the scholarship.

Did you know? The Rotary Foundation also offers a limited number of scholarships for water and sanitation professionals to study at UNESCO -IHE Institute for Water Education in the Netherlands. Rotarians interview applicants who have been admitted to the institute and recommend scholarship candidates.
