Matt Carroll– Cannabis Security

Kat Gallagher introduced our speaker on Friday to a nearly packed **Club Pheasant** house– once again, it was a meeting not to be missed. **Matt Carroll**, co-founder of **Seed to Sale Security Company**, enlightened the **Mighty Club** on the cannabis industry and the security issues that surround the country's fastest budding industry (pun intended). Matt, who this editor can safely say is a serial entrepreneur, not only founded Seed to Sale Security, but he also founded 5 other security-focused companies: Paladin Private Security in 2003; Platinum-Archer Holdings in 2013- purveyor of the compressed natural gas which fueled his fleet of security vehicles; Sacramento Security Training Center in 2015- a state licensed firearms training center and indoor gun range which provided his security guards with firearms training; Emissary Secure Transport Company in 2016- an armored car security carrier created to safely transport cannabis sourced currency; and finally Carroll Security Consulting in 2017 which provides software for security guard training and also cannabis focused security consulting. In 2020, Mr. Carroll expanded his cannabis security consulting business to a national scale and co-founded Seed to Sale Security.

As a security expert in the cannabis industry, Matt says his most frequent question when asked to speak at clubs like ours is, "Did you bring any free samples?" With the legalization of cannabis in California and in many states across the country, Matt describes his role of providing security services for a developing industry, with never-ending changing regulations as, "Flying the plane as we're building it."

As Mr. Carroll was wrapping up and answering a few questions, visiting Rotarian **Cheech Marin** asked if Dave was here, to which **Tom Wallace** said, "Dave's not here", at which point **Dave Kamminga** yelled, "No man, I'm Dave!", and we laughed and laughed and laughed..., and then ate the rest of the Oreo cookies.

District Governor Ray Ward visited our Club on Friday to share this important message:

Rotary District 5180 Meal Packing Experience

Saturday, April 18, 2020

McClellan Conference Center

We live in a world where 821 million people suffer from chronic malnutrition. Malnutrition is the leading cause of disease and death in the world. Approximately 3.1 million children die from undernutrition each year (UNICEF 2018a). That's over 81,000 children each day.

With Rise Against Hunger, a simple contribution of \$75 can fund ONE BOX which will feed ONE CHILD for ONE YEAR at school.

What can we do?

By inspiring and connecting our Rotary District Community, by collaborating together we can gather the resources to save lives, one child at a time.

As Rotarians, TAKE the CHALLENGE: Donate \$75 to feed one child for a year. [Click Here](#)

Also please email 10 friends this letter asking of them to help with this event. Remember if they contribute, we will invite them to the event- they might just want to join Rotary.

Ask others to help at your fundraisers. Interact Clubs in the past have fundraised and participated in Rise Against Hunger events, member's businesses (they can use it as a team-building event), and other club partners.

Find Sponsors, if your club or a business would like to become a sponsor, please see our website for details and have them complete the form.

Come to the Event! It's Fun!

Opening Remarks From Friday's Meeting

Since its introduction, the Oreo cookie has become the best-selling cookie in the United States.

The name "Oreo" was first trademarked on March 14, 1912.

The first Oreo cookies in the United States sold for 25 cents a pound in clear glass topped novelty cans. How to celebrate:

- A. Twist them apart, eat the cream center, and put them back together
- B. Twist them apart, eat the cream and cookie side first, and cookie only side last
- C. Twist them apart, eat the cookie side first, and the cookie and cream side last
- D. Any combination of the above while dunking in milk
- E. Eat them whole, sans milk
- F. Eat them whole, with milk but no dunking
- G. Eat them whole dunking all the way
- H. Some other interesting combination the world has never heard about

I am Peter Anderson and it is moments like these that make me proud to be the 71st President of the Mighty Rotary Club of West Sacramento!
