## **Downtown Streets Team**

*Rachel Davidson, Director Sacramento Area*

Downtown Streets Team's mission is to end homelessness through the dignity of work. We are realizing this mission in 13 Northern California communities through our volunteer work experience program. They believe in building strong communities that support positive growth and reintegration for long-term success.

The Team Members are un-housed, or at risk of losing their housing when they come to DST to volunteer beautifying their community while engaging in intensive case management and employment services. Providing this Meaningful Daily Activity builds a sense of purpose, belonging, and motivation for our Team Members. It also provides a path to community reintegration by changing the perception of homelessness, and the soft work skills necessary for sustained employment.

Since the launch in West Sacramento just 5 months ago, six Team Members have gained employment, 3 have moved into stable housing, 1 has saved their housing, and 3 children have been reunited with their now employed and stably housed parents. In addition, the Team has removed over 100,000 gallons of debris, and 165 needles from West Sacramento streets and waterways, volunteering over 4,000 hours.

We are looking forward to continued growth as we try to meet the needs of West Sacramento, and are grateful for support from the West Sacramento Rotary!

Please feel welcomed to reach out to me directly with donations or questions.

-Rachel

**4 Way Test**

Of the Things we Think, Say or Do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and better **FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

**ROTARY HISTORY**

**Rotary International Foundation History**

At the 1917 convention, outgoing Rotary President Arch Klumph proposed setting up an endowment "for the purpose of doing good in the world." That one idea, and an initial contribution of \$26.50, set in motion a powerful force that has transformed millions of lives around the globe. The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world.

During the past 100 years, the Foundation has spent \$3 billion on life-changing, sustainable projects. Your donation makes a difference to those who need our help most. More than 90 percent of donations go directly to supporting our service projects around the world.
