

**March 31st Program: Len Strickland  
"The Million Dollar Man"  
By Mike Campbell**

Past President Len Strickland spoke about his journey from working out 5 days a week as a healthy adult to having heart palpitations, dizziness and being unable to walk up stairs without being totally out of breath in August of 2006. He was diagnosed by a heart specialist in Sacramento and confirmed at the Mayo Clinic in Rochester, Minnesota with Hereditary or Familial Amyloidosis, a disease that is very difficult to diagnosis. Amyloidosis is a rare and very serious disease caused by the buildup of mutant abnormal protein called amyloid. Amyloid is produced in the liver and can be deposited in any tissue or organ. In Len's case the build up of amyloid was isolated to his heart. Len inherited this disease from his mother (hereditary amyloidosis). He explained that 4% of African Americans in the United States have the Hereditary type of Amyloidosis and are not aware of it.

Len was diagnosed, definitively on March 29, 2007 and on March 4, 2008 he went on the Regional Heart Transplant list. He was fortunate that his rare AB+ blood type expanded the opportunities he had for a donor heart. On June 11th, 2008, only three months and one week later, he received the heart of a 23 year old young man. His heart was a perfect match. Len was highly complimentary about the results of the transplant and the exceptional care that he received at the UC San Francisco Medical Center. Total expenses for the transplant exceeded \$1,000,000.

A high point of the presentation was Len expressing his gratitude to West Sacramento Rotary Club members Wayne Enke, Bryan Turner, Denice Seals and West Sacramento businessman David Stroud for their organization of a fundraising dinner in his honor on March 4, 2008. The tribute dinner that was supported by many Rotarians, business associates and other friends, raised over \$15,000. This money paid for the month of lodging, meals and transportation required to keep him within a short distance of the Medical Center following the transplant. These follow-up tests were required to make sure his new heart was responding as required for a full recovery. None of these expenses were covered by his health insurance.

Len's inspirational talk concluded with a number of great photos taken with his family over the past 9 years of his new life.

## Bill’s Box

Whew. I did not have an agenda that filled the meeting when I arrived today, but when it was all said and done, we had a full meeting.

First, I want to thank Len Strickland for his presentation. He filled in at the last minute after the cancellation of our scheduled speaker. And, it was so interesting and informative. I think this was the most our membership has had comments and questions regarding the speaker presentation. Thanks again.

We had many visiting Rotarians and guest of Rotarians today. I want to especially thank our Assistant Governor Angela Spease, President Elizabeth Hastey from the Rotary Club of South Yuba County Sunrise (youngest president ever), and the four Rotaract members; Juana, Sandra, Alexandra and Kyle from Sacramento State for attending our meeting today. And, I cannot forget Quincy from River City HS Interact, our RYE outgoing student next year.

Last, and certainly not least, thank you members for Celebrating with Jaclyn today. The amount raised certainly opened the eyes of our visiting Assistant Governor and Rotaract members.

Thank You and Rotary Up!, Bill

## FUTURE ROTARIAN

### Quincy Gonzales

My name is Quincy Gonzales, I am the fundraising chair for the interact board of 2016-17. I am the first in my family to be in the interact club. Ive been in the club for 3 years and joined because I have a passion for helping others. I hope to grow my leadership and communication skills through this club as well as help my peers do the same. In the future I want to earn a degree in international agricultural development and provide sustainable resources for rural women and men in developing countries to achieve higher incomes and demolish food insecurity. The prospective college I will attend is UC Davis. After joining peace corps, I will pursue an occupation with The Food and Agriculture Organization of the United Nations.

Interact has changed me dramatically. Since I have joined interact, I have found a self worth through giving. I have found the leader inside of me and because of interact, I continue to grow and push myself to achieve my full potential!

## You Want Me To Do What?

Go home, lay your home water heater on its side (turn the gas and water off first), cut a hole in the top, slide in and have someone close the lid on you. No, I'm not crazy.

But, if you had polio in the 1950's and needed help breathing, an iron lung was your best hope. And the old iron lungs were similar in size and shape to today's home water heaters.

After participating in a National Immunization Day in Ghana in 2015, Roger Frank, a member of the Rotary Club of Upper Eden, Great Britain, found himself wondering what he could do to promote Rotary's fight against polio.

He built a model of an old iron lung, put it on a trailer, added several informational signs and now uses the exhibit to educate people about polio and raise funds for its eradication.

## BILL BEVIER'S MOVIE HORSE TRIVIA 3/31/17

(weekly winners are awarded a Rotary Coin)

**Question:** Only three Grand Marshalls rode horses in the New Year's Day Rose Parade: Gene Autry, Ronald Reagan (first time he was Grand Marshall) and this actor?

**Answer:** William Shatner.

He raises Saddlebred horses and he rode his own horse as Captain Kirk in the Star Trek film.

**Tim Carnahan**, I believe was the first to respond, but since he has already won a Rotary Up coin, our Assistant Governor Angela and the Rotaract guests Sondra, Alex, and Juana, each read one of the four way tests.

## BOARD MEETING RECAP — WEDNESDAY, APRIL 5TH, 2017

It appears we have a host family for Helena for the last quarter of her stay. However, we still need a short term host for approximately a three week period as the new host family has a vacation previously planned. Steve Orin will be on a seven week vacation. During that time we need a "short term contact" volunteer for coordination purposes with the host family.

We are investigating a course of action, volunteer time and money, for the Resting Station/Clarksburg Trail project recently explained at one of our Friday gatherings.

We have a new date, July 27, for the Sugar Mill Fundraiser. More to come.

Waiting on the announcement to see if our club was selected for the Fireworks Booth Fundraiser. If we are selected, we have started "thought planning" the scheduling of this major fundraising event.

The Tijuana project has been rescheduled for Memorial Day weekend. There are three Interact students interested in going, but to date, no Rotarians are scheduled to participate.

The District Conference is in a month. Barry Kalar and myself are attending. If interested in going, sign up on-line and let us know that you will be going.

This Saturday we will be participating in a work day at Yolo Food Bank 1244 Fortna Avenue, Woodland, CA . Time is 9:00am-noon. We have 8 or 9 sign-ups already and have room for several more. Contact Shaun Morrow for further information.

# Jim's Zany Photo Contest

Let's Share the Fun!

Take Pictures at Your Events and Share the Zaniest!

## *The Very Simple Guidelines*

- Each Rotary Club may submit two pictures.
- The pictures must be taken at a Rotary Club meeting, project, or event.
- Something in the pictures should indicate they were taken at a Club event.
- A member of the Club must be in the pictures – though not necessarily identifiable.
- The pictures should depict a fun time in progress.
- The pictures are to be taken and submitted between July 1, 2016 and April 15, 2017. Be sure to indicate the Club's name and the activity taking place with each picture submitted. Please also provide a name and contact information for someone with knowledge of the picture in case a question arises.
- All pictures submitted to contest guru Jim Tracy – within the discretion of the contest guru – will be displayed at the 2017 District 5180 Conference.
- Pictures may not be altered with Photoshop or any other program.
- The winning photo will be determined by vote of Rotarian attendees at the 2017 District Conference in Santa Clara.
- The photographer of the winning picture and his/her club will be recognized at the 2017 District Conference, and the winning picture will be featured in the District 5180 Newsletter and on the District 5180 website.

That's all, folks. Submit your entries to Jim Tracy at [james.tracy09@comcast.net](mailto:james.tracy09@comcast.net) by April 15, 2017.

## ADDITIONAL ANNOUNCEMENTS

- The Club's Steak Dinner fundraiser event will now be held on July 27th. More information to follow. Direct any questions, comments, or concerns to **President Bill**.
- The Rotary Foundation Centennial Dinner will be held May 20th and the Folsom Community Center. Dinner will be at 6:30. The program for the evening will be John Germ, the 2016-2017 Rotary International President.
- The Tijuana trip has been rescheduled for Memorial Day weekend.
