## May 12th Program: Club Vocational Visit Bryte Career and College Training Center Culinary Academy By Drew Gidlof

Last Friday the club held a Vocational Visit in place of a typical weekly gathering at Bryte Career and College Training Center Culinary Academy. The membership enjoyed a three course meal by the culinary students while they received a presentation by the Instructors for the Culinary Academy and Farm Training programs that are taught on site. The membership also had the privilege to hear from the Principal about ALL of the programs, — Culinary (High School and Adult Ed) Academy, Farm Training Program, and Construction Trades that are taught at this campus. In addition, she gave an overview of the other programs in the district — Medical Science, Computer Skills, Video Production, and Advanced Engineering. The highlight of her presentation was a discussion about the need for a Mentorship program with the students that our club is pursuing with the assistance of the Principal and the District Superintendent. Afterwards, the club received a tour of the campus. Rumor has is our President Elect, Elect T-Bird may be helping the Ag Program with starting a 4H club on the campus.

## Women in the French Foreign Legion?

Where is Myanmar? Where is Burma? Can you really get a shave there?

Answer: the countries are the same; they're between Bangladesh and Thailand on the Bay of Bengal.

Rotary clubs from Redding, CA, and Hawaii have provided medical and dental clinics, training for English teachers, solar lighting systems and water filtration systems in Myanmar over the past few years. This international service was in response to a call for help by Nobel Peace Prize laureate, Aung

San Su Kyi, for her country at the Rotary Global Peace Forum four years ago.

Myanmar is a very poor country, with 35% of its children mal-nourished. Its ruling military dictatorship until recently kept the country closed off to the rest of the world. Rotary was active in Burma from 1929 – 1977 and because Rotarians embody “service above self”, the country is opening up again.

## WILD BILL'S

### OPENING REMARKS FROM THE MEETING

It has been a couple of weeks since I presided over a meeting—two weeks ago I became a grandpa again and last week I attended the District Conference in Santa Clara. That was fun. Will discuss more later. However, with that in mind, the fellowship of other Rotarians and the Awards and Accolades we received, I am very proud to be your 68th President of the Mighty Rotary Club of West Sacramento.

### Bill's Box

Hello Everyone,

We had a wonderful time at the Bryte Career & College Training center last Friday. We had a great turnout with both guests and visiting Rotarians (our newest member and soon to be member). We learned about all of the pathways (I think they said 11) they have to offer for both younger and adult programs. Our meal was prepared by the students in their culinary arts program. We learned about that program as well as the FFA and construction programs the center has to offer. The CAFFE (Culinary Arts Farm to Fork Enterprise) is open on Friday's, but contact them for hours as they do vary. We were also given a tour of the facility focusing on the Culinary School's kitchen, the FFA classroom and grounds and the construction area.

This Friday, back at Club Pheasant, we will be inducting our newest member, Elizabeth Munguia. Point of interest, Elizabeth's husband is one of our newest members, Nick Esquivel.

There are a lot of activities happening around the district this time of year. Pay attention to the fliers enclosed with the newsletter. You can also go to the District Website to be informed about additional upcoming events.

Rotary Up!, Bill

### PRESIDENT BILLS'S HORSE TRIVIA

**Answer:** Always Dreaming

## District 5180 Rotarian Hall of Fame

### Dave Wilson

When Dave Wilson joined our club on Nov. 2, 1956 he was our youngest member at 30 years old. He continued being an active member of our club and district for the next 61 years, and plans on participating fully in his 7<sup>th</sup> decade as a true Rotarian.

Dave served on many committees and the board of directors leading up to his presidency of our club in 1968-69. To the surprise of no one he continued to accept board and director and committee positions from then till now. He has served in virtually every leadership position in our club. Impressively, over the last 61 years there have been very few, if any, work projects in which Dave hasn't participated, including our most recent activities.

Dave has earned more than 10 Paul Harris fellowships over the years and is a Major Donor to The Rotary Foundation. When asked how many District Conferences he has attended over the years, he replied "Quite a few – too many to remember, really. It used to be that nearly every member in the club would travel together to go to the conferences and it was always a great time."

In 1986, Dave was awarded our club's highest honor, our Club Service Paul Harris award. Rather than a 'member of the year' type award, this is for lifetime achievement in the area of Club Service - - and that was 31 years ago. Talk about a lifetime of service!

Dave has been a special leader in our club and a strong moral compass for over 6 decades. He has been at or near perfect attendance for scores of years.

Incidentally, Dave has brought in several new members over the years, and raised a son, Ken Wilson, who became our club's 2014-2015 President. "Wherefore by their fruits ye shall know them."

# The President's **MEMBERSHIP** SPOTLIGHT

## District 5180 Rookie of the Year

*Lee Harris*

The Rotary Club of West Sacramento has been seeking a new chair person to serve as Adviser to the River City Interact Club for many years. Shortly after Lee became a member of our club, she was approached by our Club President, Bill Bevier, to see if this was a position she was interested in filling. She was. Currently, Lee is shadowing the current chair to get familiar with the Interact Club, and serves as a mentor to the Interact students when appropriate. Beginning next year, she will step in and take the reins as the new Advisor and Chairperson to the Interact Club.

In addition, Lee is lined up to be the Temporary Rotary Youth Exchange (RYE) Chair next year, while the current chair is away for seven weeks. When the need for a temporary replacement was announced at a weekly club gathering, Lee volunteered right away, eager to help the RYE students and become more involved with Rotary at a club, district, and international level.

Outside of Rotary Youth involvement, Lee has "hit the ground running" to become involved with Rotary Club of West Sacramento. She consistently volunteers for our club's participation in Meals on Wheels, a meal delivery program, where she has a scheduled delivery route she makes once a month. Lee also participated in the Club's International Project, traveling to Mexico to build a home for a family in need. Finally, Lee has attended the recent District Training program designed for new members, club officers, and committee chairs. Within a short time, Lee has immersed herself with a lot of activities that our club and the Rotary Organization has to offer.

### PROPOSED NEW MEMBER

**Joe Villanueva**

**Joe has been approved by the Board as a prospective member. If an active member has any concerns or objections to a proposed new member, he/she should contact Membership Chair Tim Kwong, or any Rotary Club of West Sacramento Board Member.**

# The President's **MEMBERSHIP** SPOTLIGHT

## District 5180 Membership 10+ Award

### A Special Thank You to Tim Kwong

Mr. Kwong is consistently one the most instrumental Rotarians in our club. Specifically, Mr. Kwong's efforts really stand out when focusing on the new membership. Under Mr. Kwong's tenure as the Chair of Membership, he has inducted 13, soon to be 14, new members during the 2016-2017 Rotary year with another prospective member in the application process. He also inducted 9 members during the 2015-2016 Rotary year.

Outside of his membership role, Mr. Kwong serves as a model example to the membership of how to successfully be involved at a high level, attending almost every Club and District Rotary event. He consistently demonstrates his service above self.

## **FIRESIDE CHAT**

### **at the Marshall Ranch**

The next Rotary Club of West Sacramento Fire-side Chat is coming up! This is a fun requirement for the Club's new members to earn their Blue badge. However, is it sure to be a good time and memorable experience that everyone, Rookies and Long time Members alike, are guaranteed to enjoy!

Stay tuned....dates and additional details are being finalized and will be announced shortly.

Rotary Up!!!
