**Thank you to the Rotary Club of West Sacramento for allowing me to be your guest speaker last Friday. It was my pleasure to share "Estate Planning in a Nutshell" with you and have an interactive dialogue regarding the common misconceptions of Estate Planning. Your questions were invaluable to our discussion and I wish I could have been there longer to answer more of them. I look forward to coming back again.**

## A Note from the Editor

There will not be an CHIPS published for the next two weeks. I have some family events next week and I am afraid that I will not have time to complete the CHIPS. In addition, the following week is DARK for Memorial Day Weekend, so there is no weekly gathering. Please feel free to keep sending material you would like to be published in the CHIPS, as the next edition will be a large issue. Thank you for your understanding.

Thanks, Amanda

## The 4 Way Test

Of the Things we Think, Say or Do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and better **FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## ROTARY RESPONSIBILITY

### About Community Service

A community, defined in its simplest terms, is a group of people who have something in common. But in real life, it is something far more complex than that. Each member — every individual, group, organization, and business — draws benefits from the community in many different ways. For a community to thrive, each of its members must honor a commitment to contribute to the well-being of the whole by returning those benefits in kind.

Rotarians recognize the importance of giving back to the community. After all, Community Service is one of the Four Avenues of Service. Every Rotary club and every Rotarian assumes a responsibility to find ways to improve the quality of life for those in their communities and to serve the public interest. When those efforts are effective, they not only contribute to the greater good, they also promote Rotary's positive image. What makes a community service effort effective? Relevance. A community service project must address a real, current community concern or issue. Rotary clubs should start by surveying their communities to find out where help is needed. Once a club has listened to its community, it can begin to envision effective responses to problems.
