Vocational Service Awards Program

By Drew Gidlof

Rotary Clubs Internationally is made up over 1.2 million neighbors, friends, and community leaders who come together to create a positive, lasting change in our communities and around the world. Our avenues of service are Youth Service Programs; Community Service; International programs with programs such as the eradication of the polio virus, clean water and shelters for families in need.

Today we will honor individuals through our Vocational Service Program with a recognition to individuals who are dedicated to community service, helping others and who have shown exemplary qualities in their chosen profession. They are our Community Patron Saints.

So what is Vocational Service in Rotary??? Vocational Service is one of Rotary’s Avenues of Service and calls every Rotarian to:

- Aspire to high ethical standards in their occupation;
- Recognize the worthiness of all occupations; and
- Contribute their Vocational talents to the problems and needs of Society.

We are recognizing individuals who may not necessarily be Rotarians, but they exemplify the qualities that Rotarians possess as defined by Rotary International’s goal for Vocational Service -- to promote and to advance high ethical standards within their profession.

Bird's Poop

On behalf of myself and our entire club I would like to give a special thanks to Drew Gidlof. His work and dedication as Vocational Chair was displayed at last week's meeting. For those who could not attend the meeting it was a very special tribute to our local law enforcement and local school educators. We had over 40 guest in attendance and it was a great opportunity to display our club to our local community.

Thank you Drew for organizing a spectacular event and presentation, next time you see Drew please take some time to thank him for a job well done!!

President, Troy Francis Bird

ROTARY RESPONSIBILITY

Lessons in Rotary Geography

- Were you aware that the Rotary Club of Reno, Nevada, is farther west than the Rotary Club of Los Angeles, California?
 - Would you guess that the meetings of the Rotary Club of Portland, Maine, are farther south than those of the clubs in London, England?
 - Can you imagine that the Pensacola, Florida, Rotary Club is west of the Detroit, Michigan, club?
 - It's a fact that the Cairo, Illinois, Rotary Club is south of Richmond, Virginia.
 - There are 69 Rotary clubs with the word "Tokyo" in their club names.
 - The Rotary Club of Nome, Alaska, lies west of the club in Honolulu, Hawaii, and the Santiago, Chile, club is located east of the Rotary Club of Philadelphia, Pennsylvania.
 - Rotary geographers will know that virtually every Rotary club meeting in Australia is east of the Hong Kong Rotary Club.
 - What do the Rotary clubs of Quito, Ecuador, Libreville, Gabon, Singapore, and Kampala, Uganda, have in common? You guessed right if you said they all meet approximately on the equator.
- There are many interesting relationships and things to learn as you become acquainted with the approximately 1.2 million Rotarians in more than 32,000 clubs in more than 200 countries and geographical areas.
