

CELEBRATIONS

Proud Rotarbabe Bellringers from 2016-2017

There are many proud grandparents in our membership. Some got to welcome another Rotarbabe into their family this year.

Bob Walker rang the bell for his 19th grandchild, *Dakota Joan Walker*.

Mike Campbell rang the bell for his grandson.

President Bill rang the bell for his 3rd grandchild, *Thomas Allan Panziera*.

Steve Oren rang the bell for grandson, *Hudson Patrick*.

Mark Engstrom celebrated a grandchild.

Dan Ramos, proud new grandpa, rang the bell for his 1st grandchild, *Ellie Renee*.

Finally, member **Amy Busch** welcomed her son, Rotarbabe *Matthew Pete*.

Pass the Hat!

The club gave generously this year.

Camp RYLA pass the hat and 3 bellringers to raise funds for River City High School Interact students to attend.

The Club Passed the Hat to raise the required funds to sponsor a light in the **RePower the Tower** project. The club will make up the difference so the club meets the \$750 requirement.

Boy Scout Troop 83 of Clarksburg. By the end of the meeting, including all of the Bell Ringers and a Pass-The-Hat, a total of \$2, 031 was raised to help support their plans for the entire troop to travel to Colorado this summer.

Rotarians at Work

Rotary at Work with the Roger Berry Sculpture

The Roger Berry sculpture in the Clarksburg Community Park is a great story to share. Roger Berry is an internationally recognized metal sculptor that lives in Clarksburg and is a past member of our club. He built the sculpture, Don Clark and Clark Pacific donated the 2.5 ton foundation, the Club members donated over \$600.00 for materials for the installation, and Club members contributed approximately 150 hours to installing the sculpture and renovating the park grounds.

Roger Berry's sculpture is sliding into Clark Pacific's foundation.

The installation project included digging a two foot deep hole and filling it with a foot of gravel. Then, the 2.5 ton pre-cast foundation was placed in, and concrete was poured over the surface of the foundation. The foundation portion of the project was an Eagle Scout Project for Nick Garbutt, of Troop 83.

MEALS ON WHEELS

This year we were finally able to expand our Meals on Wheels involvement to take on a new route. This involved getting five new volunteers and increased involvement of three longtime volunteers. Of the five new volunteers, two are new club members who have recognized that getting involved right away makes Rotary more fun and more meaningful. Our club is now delivering seven routes, providing about 80 to 110 healthy lunches each month to elderly and/or disabled West Sacramento residents. Most of our Rotarian volunteers have been delivering since we first took on this project, which is at least 12 years ago.

Submitted by Terrific Tom Wallace

From Vocational Service we had 4 significant activities.....

1. Vocational Visit to the Sierra Donor Services facility in March to get an overview of their operation handling organ donations, to include eye cornea's.
2. Annual Vocational Service Award Luncheon in April where we recognize some of our Community Patron Saints -- Police and Fire Officer's of the year (City of West Sacramento, Clarksburg Volunteer Fire Agency, Yolo County Sheriff's and CHP); Teacher's and School Counselors of the year for West Sacramento and Clarksburg.
3. Vocational Visit to the Washington Unified School District Career Educational Training Center that handles Vocational training and certifications for youth and adults in the District.
4. Started discussions with Washington Unified School District to establish a Mentoring program between students and members of our Clubs. Who knows how this will be structured and what it will turn into. Vision stage at this point.

I'll Drink to That

Do you realize that a single beer has more clean water in it than many people get in an entire day? Or that 8,000 people, including 3,000 children, die each day from diseases caused by unsafe water?

The Rotary Club of Pleasant Hill, CA, is trying to get more people to drink beer through the efforts of its Rotary Fellowship called BREW (Beers Rotarians Enjoy Worldwide). BREW is co-sponsored by the Rotary Club of Accra-West, Ghana, Toronto Rotary and others. Where do I sign up??

The Fellowship plans to approach local and major brewers to donate a portion of their beer sales at special events to support water projects. This is modeled on the non-profit Water.org, which has received \$1.2 million from Stella Artois.

Test question: Does beer fulfill the 4-Way Test? Is it the truth? Yes, Is it fair to all concerned? Yes. Will it build goodwill and better friendships? Yes. Will it be beneficial to all concerned? Yes.

THE INTERNATIONAL PROJECT THAT ALMOST HAPPENED

On A cold, wet Friday morning at 6am, 4 West Sacramento Rotary Club members and 2 Interact members from River City High School, met at **Judith Ratley's** house on the levee of the Sacramento River.

We were treated with a breakfast and coffee and got ready for our trip to Tijuana where we would be building a house for a family who needed and deserved it.

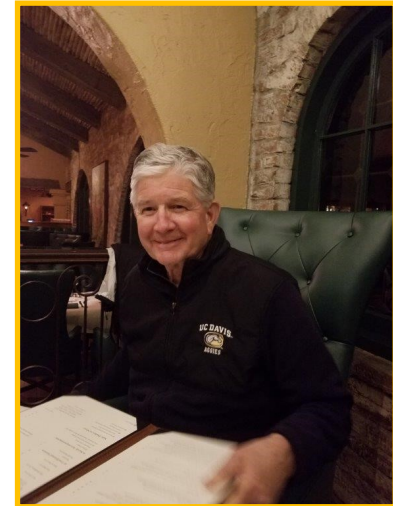

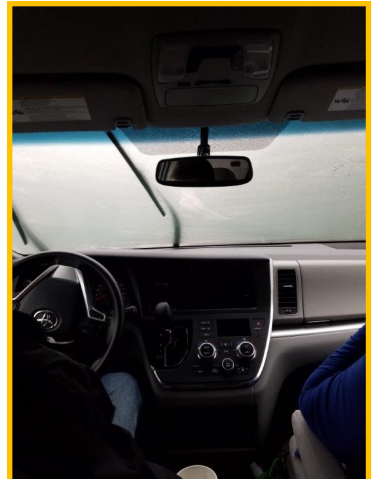

Judith had conveniently damaged her own car and had for this occasion rented a spacious van in which we all could fit including our own belongings as well as those of the **Troy Bird** family.

Troy and his family, being better raised than driving in a van to Mexico had arranged a Plane from Sacramento to San Diego, where we would meet up and together cross the border to the camp in Tijuana.

An hour into the ride on I-5 south with Judith behind the wheel, I had seen more rain than I ever remember from my childhood in Denmark, wipers on fast and so was the van, I believe this was one of the days in history in which California was getting the most rain ever. The storm was moving south I saw on my phone and so were we.

In Lebec we stopped for fuel and food, I remember Paul Kolarik saying to Judith not to hit the big rocks surrounding the gas station as it could damage the bottom of the van, hahaha little did we Know...

Gas tank full and great burritos from Chipotle next door, (not hitting any rocks) we were ready to take on the second half of this days excitement and meet up with the Birds in San Diego, then a text came from Troy, plane delayed again, due to bad weather, hmm bad weather? A river was flowing down towards us on the I-5 south up the Grapevine, Paul was now behind the wheel and did not show any fear of the conditions the weather or road were dealing us, what could possible go wrong?

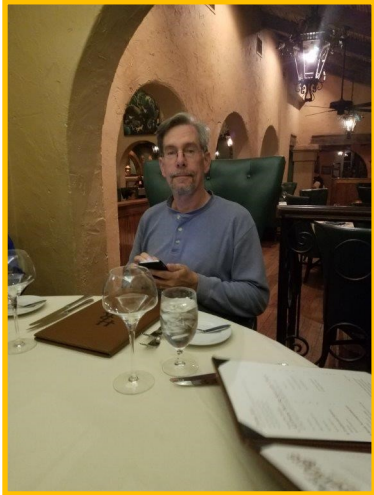

Continued on page 15.

Stay Connected to Rotary

THE INTERNATIONAL PROJECT THAT ALMOST HAPPENED

Continued from page 14

BANG! Was the sound of a rather large rock rolling down the hill on the side of the road then over the first three lanes and in under the van Judith had rented and in which we were all comfortably sitting minding our own business and texting to our nearest about the worlds end and how it would be a good time to seek higher grounds.

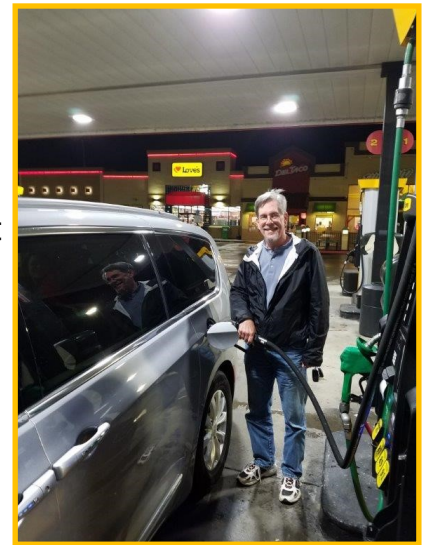

½ mile later, the burning oil smell was awful and Paul, together with the blown transmission made the decision to pull over to the side of the road, no visibility but we believed it would be the side of the road. Positive thoughts came to many of us, "We just call the rental company and they get us a new van" the rental company had little or no clue as to how they could help us, after couple of hours they told us we could run

over the 8 lane freeway and seek shelter at the fire station, (6 foot concrete barrier dividing North and South and zero visibility)

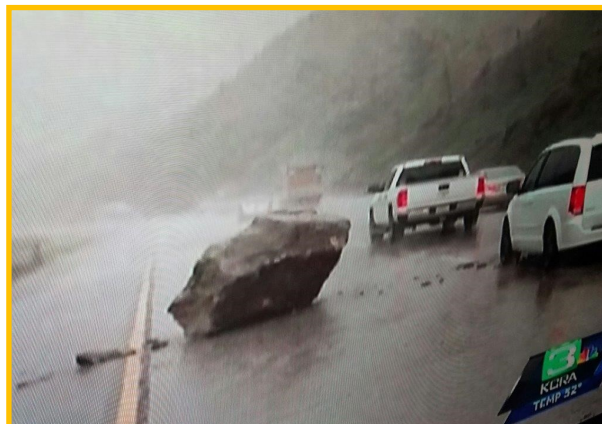

Later another rental company took the chance of winning some goodwill and future customers. Enterprise sent a driver up the

hill after the rocks had been cleared and took us and our stuff (and Troy's) from the van to a new functional van and drove us to Bakersfield. Papers signed and all we decided it was not the time for us to try running south again but crossed over to I-5 North and set for Harris Ranch where we had a great dinner and exchange of words about the days experience, I believe we all agreed we would do it again some time.

MEMBERSHIP SPOTLIGHT

2016-2017 Club Service Award Honoree

David Kamminga

For nearly forty years, our club has presented a Club Service Paul Harris Award. When a member is recognized with a club service award, we know that two things have happened:

1. The club has purchased a Paul Harris Fellowship from the Rotary Foundation in the recipient's name.
2. Previous recipients of the Club Service Award conducted a special meeting to select a very deserving member.

This year I have been asked to represent our previous Club Service Award honoree's to announce this year's selection. Many Rotary clubs give an annual "Rotarian of the Year" award. Not the Mighty Rotary Club of West Sacramento. We tend to do things a bit different on this side of the river. Because our Club Service Award is more than that. Rotarians that have earned this honor have year after year offered extraordinary service to

Rotary, with a particular emphasis on service to our own club. Often they

have worked behind the scenes, serving for a year or more in several key positions, planned social events, organized fundraisers, served on the Board of Directors and often have also served as club President. As a group, they have consistently and generously given us their most valuable possessions, their time and energy.

These efforts did not go unnoticed and as a result, they have earned our club's highest honor. The fact that this selection is made by the award's previous winners makes it all the more significant.

Before I make the official announcement I would like to share a couple of fun facts about this individual:

Our honoree has served on the board, in the field doing hands-on work, and behind the scenes for years.

Our honoree has traveled aboard on more than one occasion.

Our honoree lives in the hometown that he was raised in. I would call him a fellow Delta River Rat.

His son has attended functions with him in the past.

He can run an estimate like no one else, is an avid musician, thespian and photographer.

The Rotary Club of West Sacramento is honored to announce **DAVID KAMMINGA** as the 2016 - 2017 Club Service award winner.

Dave has truly taken "Service Above Self" to heart by working for years behind the scenes without public recognition. Mark is a leader by example in our community and in our club.

Dave please come forward to be presented your Paul Harris in recognition of your selection as our latest "Club Service Award" honoree.

Future Rotarians

Yolo Grad Night and Scholarships

Wednesday night was really the best Yolo HS grad night I went to even though both Bill and I left right after we gave out the club awards. The seats were pretty full in Crest Theatre. The families and friends were as supporting and loud as any time I have done this. This must be

my 5th time that I personally assisted in awarding the students from Yolo. The student speakers were excellent. Very moving talks about their experiences in life and how they decided to "buck up", get some education, and move forward. Obviously they had no real quality upbringing and therefore had to fend for themselves and making many mistakes along their early life's way. To see an 18 year old, his mother, and his grandmother all graduating together was very moving. As Mom started her speech and get overcome with emotion, her son walked up from the rest of the graduating class and stood by her side with a gentle pat on the back to encourage her to keep talking. The crowd was yelling "Keep going. You can do it." Very emotional for me and Bill too I think. The audience was so supportive and you could feel that they were there all together, celebrating with the students. This was a ceremony that I won't forget.

-Ken Wilson

This year the Mighty Rotary Club of West Sacramento awarded \$25,000 to deserving students from River City, Delta, and Yolo High Schools.

Chunks from the Buzzsaw

River City High School Interact Club News

Thank you to the Mighty Rotary Club of West Sacramento for supporting the RCHS Interact Club. The Interactors raised money for Polio Plus, Heifer International, and for Amor (three student volunteers to build a home in Mexico. The students partnered with the West Sacramento Rec Center for the Halloween and Easter events requiring about forty Interact volunteers for each event. I'm proud to say the students know the 4-Way Test and the seed has been planted to be our Future Rotarians.

ROTARY YOUTH EXCHANGE (RYE) UPDATE

Submitted by Steve Oren

The West Sacramento Club is fortunate enough to be sponsoring three (3) young women to participate in our world class Rotary Youth Exchange program. Lexie Louie, our current outbound student is about to be wrapping up her visit in Japan. In fact, Darrell Fong, her uncle, and his family are currently visiting Lexie in Japan.

Darrell Fong's family served as Helena Rofes Gilbert's second host family. Of course, Helena, is our current inbound exchange student from Spain. The Fong family loved her so much they invited her to go along with them to Japan to visit Lexie.

Helena's time with us is about to end. She has finished school at Kennedy High School and has her ticket home. She leaves July 8th. We will miss her. She has had a positive experience but is anxious to see her family again.

As we prepare for one to leave, we look forward to receiving another in August. We have 15 year-old Ellen Kohler from Ravensburg, Germany arriving August 12th. She comes from a small German town that is just north of Switzerland. No doubt she will love our Sierra Nevada mountains when she attends the annual RYE ski trip in January. Ellen will live with Quincy Gonzalez' family as her first host family and attending River City High School. Quincy is our American student we are sending to Spain this coming year. As a matter of fact, she is supposed to be living in a town close to Barcelona and will have a chance to see Helena while she is living there.

At our meeting on August 25th, we all will have a chance to say out last good-bye to Quincy and first hello to Ellen. Quincy leaves September 1st for her year-long grand tour of Spain, not too bad for a little girl from West Sacramento. Please make them both feel appreciated and welcome.

Board Members

\$\$\$ FUNdraising \$\$\$

Because our Mighty club knows how to have FUN while raising FUNds

There are currently a number of big holes to fill in the shift sign ups for the Fireworks booth. This includes three shifts of the 4th, where about 50% of sales will likely occur. So far 30 members, some in a big way, have stepped up to help with this very important fundraiser for the Club and the non-profit that is counting on us. That leaves about 60 members still uncommitted. I know that some of you will be gone over the Holiday weekend, and that for some of our truly senior members this is a tough assignment, and their past involvement is what has made this such a great club. **We still have three important high volume time slots that need our immediate attention. Sunday the 2nd 7:00-10:30, and Tuesday the 4th 3:30-7:00 and 7:00-10:30.** So please, do what you can to help. If you are already signed up for a full slot that won't be nearly as busy like Thursday, Friday, or a heavily volunteered morning slot, please consider changing times if you can. Either go to the link, or just let me know when you can fill in and I will be happy to take care of the signup.

Fundraiser Recap

The 1-4-24 dice tournament was loads of fun last winter and raised a good chunk of dough. \$2,727 to be exact.

The Christmas Food Drive - we set another club record raising \$2,664 for the West Sacramento Christmas Basket Project. Again you'll find the amount in your CHIPS article that covered it, but I think it was around \$3000.
