CELEBRATE—ROTARY IS A GIFT

SPEAKER PROGRAM

Program: Vocational Visit, Firehouse 45

Vocational Service Chair Drew Gidlof led the members and guests to Firehouse 45. There, firemen Damon Nordby conducted a tour of the firehouse and explained the operations that occur on a daily basis. The crew responds to fire, accident and medical emergencies. In addition, they offer public education to schools and other organizations.

The station has two fire engines and two fire trucks. The difference is that a fire engine carries water and hoses and a fire truck carries ladders and tools. The primary fire truck responds to all emergencies. The second truck serves as a back up. The station also responds to emergencies in other nearby areas through "Mutual Aid" agreements. Brenden McTighe and Kris Jower updated everyone on the latest instructions on CPR. The most important step in CPR is to make sure 911 is called. They emphasized that compression rate of 100 per minute

can be established by thinking of the song "Staying Alive." The tour ended abruptly due to the crew being sent out on an emergency call.

VOCATIONAL CORNER

Fish’n Dog Drew here: “As the Vocational Service Director for President Mike, we are going to make a minor change to our traditional monthly Vocational minute by members of our club. Starting next week, we will feature one of our members with a write-up in our award winning Chips newsletter in a program we are calling “the Vocational Corner”. Our goal is to learn more about our members, what they do for a living outside of Rotary, and some unique tidbits about their profession.”

“I will be contacting members on random bases to collect valuable information for their feature article. Stay tuned for some unique articles — and commentaries, from our weekly “Vocational Corner”. And remember, keep those fish’n lines tight.”

President Mike Campbell recognizes Bob Ceccato and Darrell Merwin for many years of service to Rotary.

Ken Wilson with Monica Sepulveda, scholarship recipient

CHUNKS FROM THE BUZZSAW

I would like to start a new addition to our Chunks, "Future Rotarian". I believe in 'planting seeds'. Planting seeds for all RCHS Interactors to become successful and happy adults that will become Rotarians!

Our first Future Rotarian is Sara. Like so many of our Interactors, Sara is quiet. She volunteered but only chaired an event this year. Chairing an event develops leadership skills and I really push the students to chair events. Sara was one of the chairpersons for our new community service project, Reading Buddies at the WS Turner Library. Sara also does one on one tutoring with these kids every Friday. I am so proud of Sara because she has continued helping students during the summer. Sara graduated RCHS in June! It's been difficult getting students to volunteer during the summer so Sara has been instrumental in keeping this program going.

Sara will be attending UC Davis next year, majoring in Nutrition. "Ideally, I would like to go on to graduate school for public health, and use the knowledge to help children in impoverished countries battle malnutrition or work with the UN world food organization in reducing famines or similar tragedies."

Dr Charyl. Interact Advisor

**Future Rotarian:
Sara Malakzay**

"Through out my four years in Interact, I gained valuable experiences and lesson for life. Every day with Interact is an achievement."

Reading one on one with children and helping foster a love of books/reading was one of my favorite experiences. Also, writing and decorating holiday cards to send to soldiers overseas, particularly in Afghanistan and Iraq. Looking back to the trees planted four years ago, and seeing how beautifully they have grown, tall and full of life with kids running around them, lovers leaning back on them. Or seeing the struggling kids five months ago with their books, now reading more smoothly and gaining confidence in their abilities, and simply being more sociable."
