**SPEAKER PROGRAM**

## Program: Norcal Bats - Rescue and Education

**Corky Quirk introduced the Mighty Rotary Club of West Sacramento to a few bat friends that share our surroundings with us and have a mostly positive impact on our lives. From the term insectivorous to the fact that Mexican free-tailed bats pollinate the sugarcane (hence the bat on the Bacardi rum bottles) every member walked away with more respect for these furry friends. Corky brought to our attention that there are 1,200 species of bats in the world and here in Yolo County we can see quite a few species of bats including the Mexican free-tail and the Big Brown Bat. The Mexican free-tail is the most common and can fly 50-60 m.p.h., up to two miles high and lives in very large colonies (just think, as you drive over the causeway the hum of your tires is serenading millions of these fellas). Though they are ferociously adorable don't forget that one in seven of these farmer's friends carries rabies (in Yolo county). Here's to munching alongside these insect lovers. Corky, you really made us watch and learn, Thanks!**

# Rotary International

## Making a Difference Worldwide

**A local taste of the international reach of Rotary. The Rotary Youth Exchange students are getting ready to embark on their journeys. Most likely they are wrought with questions, a bit of fear and a whole lot of excitement over what lies ahead.**

**There is no doubt that a warm welcome goes a long way to making them feel comfortable and appreciated. Our own River City High School Interact Club is going the extra mile to make sure our Belgian friend will know how excited we are to have him. They worked last week to make a great "Welcome to America" sign.**

**Our own Charyl Silva, outgoing Interact Counselor, Jamie Reamer, now officially the RCHS Interact Counselor, and Past President Ken Wilson helped to oversee this important project.**

Of the Things we Think, Say or Do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and better **FRIENDSHIPS?**
4. Will it be **BENEFICIAL** to all concerned?
