Phillipa Nigg, Board Member Journeys Within Our Community

Phillippa was raised in Southern Africa before moving to England to raise her children. She received her Masters degree in the USA and after working in a variety of careers became a teacher. She has now retired and has visited over thirty countries in her extensive travels; she loves her visits to Southeast Asia, especially Cambodia. Now calling America home, Phillipa brings a wealth of knowledge and experience to Journey Within Our Community, JWOC. Since joining the board Phillipa has spent countless hours working to get the JWOC word out. A philanthropist through-and-through Phillipa has played a huge role in helping JWOC meet its potential.

In 2005, JWOC founders Brandon and Andrea Ross moved to Cambodia from the United States to set up a boutique hotel. While living here they saw firsthand the needs of the population struggling with poverty. They also saw the desire of travelers, friends and family to provide support. They realized they could work as intermediaries between those who needed help and those who wanted to give it. Years later JWOC has become more than they ever dreamed was possible, with thousands of lives, both of recipients and donors, positively impacted.

Based on the principle of 'Learning Today, Leading Tomorrow', JWOC's focus is education, including opportunities at: local universities, JWOC's Community Center and in the villages surrounding Siem Reap, Cambodia. We have learned that focusing on education is where we can make the greatest difference in helping Cambodian youth to better their future and become leaders in their community. JWOC currently offers three different types of programs: 1) Free Class Programs, providing quality education to low income families within the community, 2) Scholarship Programs, giving university scholarships to Cambodian students, and 3) Community Support Programs, which deliver essential life skills trainings which are designed to help improve the standards of living.

For more information on JWOC visit their website <https://www.jwoc.info/>.

POPE T-BIRD'S

OPENING REMARKS FROM THE MEETING

The history of the Four Way Test goes back to the early 1930's when Hebert J. Taylor set out to save the Club Aluminum Products distribution company from bankruptcy. His recovery plan started with changing the ethical climate of the company. In the 1940's, when Taylor was an RI director, he offered the Four Way Test to the organization, and it was adopted by Rotary for its internal and promotional use. Never changed, The Four Way Test is a nonpartisan and non sectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages.

Because of this and all the other aspects of Rotary is why I am proud to be the 70th president of the Mighty Rotary Club of West Sacramento.

"Mighty is as Mighty Does"

4 Way Test

Of the Things we Think, Say or Do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and better **FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary clubs give our members a way to get involved in making their local communities better. Membership and involvement in a Rotary club makes an individual a better community citizen and more connected with community leaders and the needs of the community.
