Quincy Gonzales: Spanish Exchange!

By Wild Bill Bevier

Steve Oren introduced Quincy Gonzales noting the fact that in high school she was in the Interact Club, she went to RYLA and came out of that camp with the desire to become part of the Rotary Youth Exchange. She interviewed for the exchange program, was awarded an exchange and was given the country of her choice, Barcelona, Spain. More specifically, she stayed in Palafolls, which is inside the providence of Barcelona, inside the territory of Catalonia. Palafolls has a population of about 9,000 people and is the last town in the providence of Barcelona.

Quincy had a very good presentation, lots of pictures with her narration, including pictures of Palafolls (a small, agriculture village), her host homes, and her school. Quincy noted that her school was “like a prison” with no sports or activity programs or elective courses.

She enjoyed her first host family, but initially there were a few issues to overcome. Her host-father was a PE teacher and spoke some English. He had time to work with her. Her host-mother was a noted chef and taught her to cook. The family was vegetarian and Quincy has adopted the lifestyle. Her host-sister was the same age and they did everything together. She had a host-brother, but he was on a Rotary Youth Exchange to Minnesota so she did not see him often. Due to some personal issues, he had to return early and the host family needed his bedroom back, so Quincy had to relocate to her second host family. She bonded with them and enjoyed that family even more.

Quincy was able to visit Paris on a couple of weekends with her friends and also went skiing in France with other Rotary Youth. She traveled around the countryside visiting local tourist attractions, museums, etc. The train went about everywhere she wanted to go. Quincy actively promoted Rotary wherever she went and was very involved with the Rotary Club of Costa Brava Sud.

Quincy provided a You Tube Video of her exchange:

POPE T-BIRD'S

OPENING REMARKS FROM THE MEETING

9/28/2018

Until 1989, the Constitution and Bylaws of Rotary International stated that Rotary club membership was for males only. In 1978 the Rotary Club of Duarte, California, invited three women to become members. The RI board withdrew the charter of that club for violation of the RI Constitution. The club brought suit against RI claiming a violation of a state civil rights law which prevents discrimination of any form in business establishments or public accommodations. The appeals court and the California Supreme Court supported the Duarte position that Rotary could not remove the club's charter merely for inducting women into the club.

The United States Supreme Court upheld the California Supreme Court indicating that Rotary clubs do have a "business purpose" and also in some ways public-type organizations. This action 1987 allowed women to become Rotarians in any jurisdiction having similar "public accommodation" statutes.

The RI constitutional change was made at the 1989 Council on Legislation, with a vote to eliminate the "male only" provision for all of Rotary.

Dean Labadie

WEST SACRAMENTO ROTARIAN SPOTLIGHT

And *THANK YOU!!!*

Dean Labadie

A huge thank you to New Mighty West Sac Rotarian (but not new to Rotary altogether) Dean Labadie, pictured above with Shaun Morrow, for his hard work at the Beer Booth for the Yolo County Fair. Dean organized and handled the entire beer booth for the Rotary Club of West Sacramento, and his hard work helped to bring in over \$4,000 for our club alone. What a way to hit the ground running in his new Rotary Club!

THANK YOU Dean! You are a perfect example of MIGHT is as MIGHT Does!

4 Way Test

Of the Things we Think, Say or Do:

1. Is it the **TRUTH**?
