

# Rotary Opens Opportunities

## Interact Says Hello!

On September 4, 2020, the Mighty Rotary Club of West Sacramento welcomed the Interact Board of Directors from River City High School. Unfortunately, only President Aubrey Winger was able to attend for part of the meeting. Their advisor, Kat Gallagher, was the one who ended up presenting the slide show that they put together to introduce themselves.

This year's Board is very excited for the 2020 - 2021 School Year. They have many ideas for fundraising, as well as helping the community and their fellow students. Their excitement, dedication, and drive has not waned not even in the face of a pandemic. They are motivated to continue their Reading Buddies program through the West Sac Library and are looking for ways to connect with the younger generation through social distancing. As for fundraisers, they have a Jamba Juice fundraiser in the works, and many more. Their advisor is also looking to help them develop their website available through Club Runner.

### Jamba Bogo Card Fundraiser

Each card has six buy one get one free punches

These High Schoolers definitely excel in both school and in life. They're the next generation to embody "Service Above Self" and all of the ideals of Rotary. They deserve all of the support that our Club can offer as they navigate forward in the school year of uncertainty. The floor was open to questions after the presentation.

**John Raney:** How does it work with multiple officers other than the President? Does each one get a month?

**Kat:** Interact board meetings are run very much like regular board meetings. Co-Vice-Presidents take turns taking notes and they have an agenda. They are focusing on membership this year.

**John:** How are they managing the school year?

**Kat:** One of the things that Interact has talked about doing is getting together in a non-structured meeting to socialize and share their experiences. It can possibly happen through Google classrooms. (Continued on next page)

**David Kamminga:** Are they doing video school or distance learning?

**Kat:** The anticipated meetings are going to be on Google Classroom. These are interesting times.

The remainder of the meeting had **Shaun Morrow** talking about the Yolo Food Bank distribution days and that he will be signing our Club up for Saturday distributions for the next few weeks. Treasurer, **Dustin Dumars**, was asked to speak about Club funds. He mentioned not being able to participate in beer booths or firework booths in the last few years to raise money for the Foundation and for the Club to consider making a sizable donation to the Foundation this year.

Before the meeting, **Kumaraswamy Sivakumaran** also gave an update on the Club's international project in Nicaragua in partnership with a Rotary Club in Vail, Colorado. This is a water project benefitting 14,000 people and 44 communities in or near San Rafael del Norte. The project is to rehabilitate filtration units and adding chlorination system for clean drinking water. They are looking for \$8,000 for the project from our club.

Last, but certainly not least, the Rotary Bell was rung many, many times in honor of the passing of David Kamminga's mother. While no amount of money can ever replace a loss of a mom, our Club certainly showed our love for one of our own.

## *Raney's Remarks*

It's true! It's true! The crown has made it clear  
The climate must be perfect all the year

A law was made a distant moon ago here:  
July and August cannot be too hot  
And there's a legal limit to the snow here  
In Camelot  
The winter is forbidden till December  
And exits March the second on the dot  
By order, summer lingers through September  
In Camelot

Camelot! Camelot!  
I know it sounds a bit bizarre  
But in Camelot, Camelot  
That's how conditions are

The rain may never fall till after sundown  
By eight, the morning fog must disappear  
In short, there's simply not  
A more congenial spot  
For happily-ever-aftering  
Than here in Camelot

Camelot! Camelot!  
I know it gives a person pause  
But in Camelot, Camelot  
Those are the legal laws

Lyrics to **Camelot** © 1960 by Frederick Loewe, Alan Jay Lerner
