Turn right onto West Dry Creek Road by Madrona Manor. Go about 1/4 mile then turn left where you see the sign for Everett Ridge winery. Go through the lefthand gate then take an immediate left where you see the Stanley boulder. Follow the paved road (emphasis on paved) all the way to the top of the hill. You will pass our little vacation rental cottage along the way. And just in case, the Stanley's home phone is 433-7729
