## OBJECT OF ROTARY

The object of ROTARY is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each ROTARIAN of their occupation as an opportunity to serve society;

Third: The application of the ideal of service by every ROTARIAN to their personal, business, and community life;

Fourth: The advancement of international understanding, good will, and peace through a world fellowship of business and professional men and women united in the ideal of service
