ROTARY NOTES

The Owatonna High School musical, “Beauty and the Beast” will be presented this Thursday, Friday and Saturday evening at 7:00 and Sunday afternoon at 1:00. Tickets are available at the high school office during the school day, at the door one hour before performance, or at showtix4u.com.

A bit of ROTARY history: The Hotel Owatonna, which was in existence on Broadway for 83 years closed for business in August of 1963. The hotel was a long time location (since 1922) of the Owatonna ROTARY Club. The hotel property was purchased by the local First National Bank, (now U.S. Bank). The Hotel was originally owned by Dr. Morehouse followed by the Adsits and Sandersons. Fred Johnson entered the hotel business in Owatonna in 1916, later buying the Hotel Owatonna.

From Foundation Trustee Chair Dong Kurn Lee

“Because of ROTARY and its partners, the world has seen a 99 percent drop in the number of polio cases: from 350,000 children paralyzed every year to 223 in 2012. We are now combating an outbreak of polio in the Horn of Africa. Cases of polio were found in Syria. We all recognize that this presents a new and significant challenge to the process of eradication. The political and humanitarian situation in Syria is difficult and responding to this outbreak will be difficult as well.

“We have been told many times that we cannot end polio, that we will never do it. But we know better. We will conquer this challenge, as we have conquered so many before. We will stop these new outbreaks and we will continue to fight polio until we have reached every last child.

Right now, we have a funding gap of US \$1.5 billion over the next five years. To eradicate polio, that gap must be filled. We are not alone in this fight. We will not be the only ones to help find these new funds. This must be the responsibility of every country and every government. A polio-free world is within our grasp.

“All of us must be ambassadors for polio eradication. Every ROTARIAN should be lead by example by making a donation. We need to make sure that every ROTARIAN, in every ROTARY club, understands that we are truly this close to ending polio, and that every ROTARIAN understands that this is our chance to make history together.

ROTARIAN Jen Dunn-Foster is still looking for aunts-uncles for outgoing exchange students next year. These are people who keep in touch with our students and act as a sounding board for any problems they may be having, also making sure they receive birthday cards etc. from our club. If you can help, please let Jen know.

During his physical exam, a doctor asked a man about his physical activity level. “Well, yesterday afternoon, I took a five hour walk about 7 km through some pretty rough terrain. I waded along the end of a lake, I pushed my way through brambles, I got sand in my shoes and my eyes. I avoided standing on a snake. I climbed several rocky hills. The mental stress of it all left me shattered. At the end of it all, I drank eight beers.” Inspired by the story, the doc said, “You must be one heck of an outdoors man!” “No,” he replied. “I’m just a terrible golfer.”

HAVE A GREAT ROTARY WEEK!
