ROTARY NOTES

From RI President Ian H.S. Riseley: "For many years, one idea has stood at the heart of all our service: sustainability. Sustainable service means our work continues to have a positive impact long after ROTARY's direct involvement has ended. We don't dig wells and walk away; we make sure communities can maintain and repair those wells. If we build a clinic, we make sure that clinic has a way to keep running without ongoing support from us. And when it comes to polio, we aren't working to contain it; we're working to end it."

Here's a test for us "old kids"...answers printed below...but don't cheat!

1. After the Lone Ranger saved the day and rode off into the sunset, the grateful citizens would ask, "Who was that masked man?" Invariably someone would answer, "I don't know, but he left this behind." What did he leave behind? _____.
2. Get your kicks _____
3. The story you are about to see is true. The names have been changed to _____
4. In the jungle, the mighty jungle _____
5. Who was "Satchmo"? _____
6. What takes a licking and keeps on ticking?

Interesting facts.

If identical male twins have children with identical female twins, legally their kids are cousins, but genetically they are siblings.

The English horn is neither English nor a horn; it is a woodwind instrument invented in what is now Poland.

ROTARIANS will not be used to man the food booth at next weekend's Historical Society Extravaganza. They obtained enough volunteers from the Historical Society. We encourage everyone to attend the event on the 16th of July.

A short reading from the Bible: From Genesis: And God promised men that good and obedient wives would be found in all corners of the earth. Then HE made the earth round...and he laughed and laughed and laughed!

Answers to "Old Kids" quiz:

1. Silver bullet
2. On Route 66
3. Protect the innocent
4. The lion sleeps tonight
5. Louie Armstrong
6. The Timex watch
