AN IMPORTANT DATE: Friday, March 31, an evening event celebrating our club's 95 birthday. It will be held at Jefts Hall on the Pillsbury campus. Cost will be \$20.00 per person. There will be no noon meeting on April 3.

<u>VALUABLE WOMEN OF ROTARY</u> President John F. Germ: "Today, with more than 240,000 women in our clubs, ROTARY is stronger than ever. We are women and men from nearly every country in the world, serving our communities in more than 35,000 clubs. At the club level we need men and women of all backgrounds, ages, cultures and professions; internationally, we need clubs in every city, country and region of the world. The better our clubs reflect their communities, the better we can serve them. Our diversity is our strength."

So anyway: Car-Pooling to work, a man got increasingly stressed with each trip. After a week of panic attacks, he went to the doctor. "I'm fine on the bridges, in the traffic, and even in the dark after a long day," the man explained. "But when I go through the tunnels with those four other guys, I feel like I'm gonna explode. Am I crazy?" "Not at all," the doc said. "You just have carpool tunnel syndrome."

Two men were talking. One says, "Why do scuba divers always fall backwards off their boats?" To which the other man said, "If they fell forward, they'd still be in the boat!"
