

**ANNUAL REPORT**  
**2021-2022**

**Moncton West Rotary Charities, Inc.**

The Moncton West Rotary Charities Inc. was incorporated in mid-2021 to comply with CRA rules governing the separation of duties between the club and a separate charities board. The first meeting of the charities board was held August 16, 2021.

From August 16, 2021, until June 30, 2022, the board has been active, reviewing grant applications and ratifying donations according to criteria and an evaluation process developed by the board. The Charities Board in the 2021-2022 year has granted \$124,649 in funds raised by the Rotary Club. This was achieved despite extremely difficult fundraising conditions caused by COVID-19. Funds were granted to the following organizations:
