

MONCTON WEST ROTARY CHARITIES INC.

Supporting community needs through responsible charitable giving

ANNUAL REPORT 2025-26

July 1, 2025 to June 30, 2026

Message from the Board

Moncton West Rotary Charities Inc. receives most of the funds used for community support from the Rotary Club of Moncton West & Riverview. We also partner with CanadaHelps, providing individuals with an opportunity to contribute directly to our charitable work. This year, we recognize the leadership of two individuals whose skills and commitment have been important to our mission. We extend our sincere appreciation to retiring Chair Andrew Friel and Vice-Chair Darren Hansen for their dedicated service and contribution to the work of the Board.

We are grateful to the community organizations that serve people facing significant challenges throughout the Greater Moncton area. We also thank the many Rotary members who contribute their time and skills to make the fundraising activities possible. During the year ending June 30, 2026, the charity provided \$60,000 to six community organizations, supported the Edith Cavell School lunch program, and contributed \$10,000 toward its long-term Urban Hearts commitment. Total donations were \$78,138.48. Following this year's contribution, \$35,000 remains on the charity's original \$100,000 commitment to Rotary Park at the Avenir Centre.

A Lasting Partnership with Edith Cavell School

Our relationship with Edith Cavell School began in 2011 and grew into a long-standing commitment to its students, staff and families. Beginning in 2013, Rotarians helped address student hunger through a volunteer-led lunch program. By 2024, the program was providing 50 lunches four days each week, together with snacks and milk.

In the final year of the lunch program, 2025-26, we prepared and delivered 60 lunches each school day. The lunch program concluded on June 30, 2026, as the Province of New Brunswick introduced a school lunch program. Its conclusion marked the end of many years of dedicated volunteer service and practical support for the school community.

Moncton West Rotary Charities gratefully recognizes everyone who helped prepare, organize and deliver lunches over the life of the program. We particularly acknowledge Sue Murray for her extraordinary commitment, leadership and service. In its final year, Sue was assisted by Karla McLean, whose contribution is also sincerely appreciated.

“ *The Rotary Club of Moncton West & Riverview has been an incredible partner to our school for more than 10 years. Their dedication, generosity, and commitment to our students have made a lasting impact on our school community. They have worked tirelessly to prepare and provide lunches for more than 100 students each day, helping ensure that every child has access to a nutritious meal. Over the years, they have also brought our school community together by hosting pancake breakfasts, spaghetti suppers, and pizza lunches for our entire school. During COVID-19, when learning moved online, they stepped up once again, purchasing iPads for students who needed them to participate in virtual learning. Several years ago, Rotary members also spent weeks of their summer painting our hallways and main areas, helping to create a welcoming environment for our students. Our school truly is what it is today because of the ongoing support, generosity, and dedication of the Rotary Club.*

Tyler Hardy, Principal
Edith Cavell School

Atlantic Wellness

\$15,000

Supporting 150 hours of barrier-free, bilingual mental health care for community members aged 22 to 25.
