ATTENDANCE:

Rotary International encourages but no longer requires 50% attendance at club meetings. Participation in committee meetings, service projects and makeup meetings with other club are credited towards your attendance, so you will have ample opportunity to meet that goal. Many Rotarians strive for 100% attendance and with the ability to earn makeup meetings, this is an attainable goal.

NEW MEMBER PROCESS

To apply for the Red Badge Program you must attend 3 meetings and submit this application along with the \$50 application fee. The application will be reviewed by the Board of Directors, and once approved, you will be invited to join the **RED BADGE PROGRAM**.

This program is designed to get our new members involved and educated on the culture of our club and its members. You will be required to complete any **three** of the activities listed below and report your progress to your sponsor. Upon completion you will meet with the membership director and at that time pay your first installment of dues, \$125. This will be applied to the following January or July payment closest to your completion date. The Membership Director will then work with you and the Club President to schedule your installation as an **OFFICIAL BLUE BADGE** member of the club.
