17th Annual
Breakfast with Santa
December 16, 2017

January 23, 2017

Thank you for your generous contribution of which helped make Christmas 2016 a lot brighter for 190 kids (61 families) in Georgetown as well as many other families served by the Jarrell United Methodist Church's "Out-Reach Project" (this support helped purchase bicycles for Jarrell kids). In addition to the clothing, toys and grocery gift cards provided to children and families by the "Breakfast with Santa" (BWS) program, 30 envelopes containing gift cards (for food, movies and clothing) were given to "The NEST" (a Georgetown Project program that serves GISD teenagers identified as "homeless"). Without the help of generous donors like you, "Breakfast with Santa" would not be possible.

On Saturday, December 17, a few days after Sun City Rotarians and other volunteers helped the parents/guardians of the BWS families selected by GISD Counselors shop and choose Christmas gifts for their children, Rotarians, spouses, volunteers and Jarrell HS Interact Club members served pancakes, sausage, juice and coffee (breakfast prepared by Georgetown Firemen) to approximately 1000 people at the San Gabriel Community Center. Santa was also on hand that day for a quick visit and complimentary photo with all the children. Please contact the Rotary Club of Georgetown – Sun City if you would like additional information.

This year's "Thank You" advertisement that will be published in the 'Williamson County Sun' is enclosed and describes how **"Breakfast with Santa" is much more than just a breakfast.**

Thanks again for supporting our communities.

Sincerely,

John M. Chenoweth

2016 "Breakfast with Santa" Chairman
Rotary Club of Georgetown – Sun City
