16th Annual
Breakfast with Santa
December 17, 2016

, 2016

Although all participants will certainly have a good time eating pancakes and sausage and getting their picture taken with Santa again this year on Saturday, December 17, the **primary objective** of our "Breakfast with Santa" project **is to help selected kids and families in our community** at Christmas-time. In 2015, local business sponsorships, contributions from Rotarians, friends, families and neighbors plus a very generous grant from a charitable foundation provided the funding and resources to help make Christmas a lot brighter for the 177 kids (55 families) that were beneficiaries of our "Breakfast with Santa" program. We were also able to provide financial support to the Jarrell UMC "Out-Reach Project" and purchase a number of clothing, restaurant and entertainment gift cards for the GISD teenagers served by The Georgetown Project's "NEST" (a day shelter providing supportive services for teenagers qualified as "homeless").

This year's goal is to provide clothing, gifts and food for 180 kids (~60 families), support Jarrell UMC and buy gift cards for "NEST" teenagers. All (100%) of the sponsorships and donations from the business community and other individual donors go toward helping our beneficiaries. "Breakfast with Santa" administrative expenses are covered by proceeds from the actual breakfast as well as contributions from our Club and members. The enclosed "Breakfast with Santa" Sponsor Instruction Sheet has additional details about the project and information for donating. A copy of last year's "Thank You" advertisement published in the 'Williamson County Sun' is also enclosed and explains how **"Breakfast with Santa" is much more than just a breakfast**.

Thank you in advance for supporting our communities.

Sincerely,

John M. Chenoweth
2016 "Breakfast with Santa" Chairman
